

This Notice of Intent (NOI) must be completed by the Operator, Responsible Party or Designated Official, using the online NOI submittal tool found at:

www.swrcb.ca.gov/rwqcb3/water_issues/programs/ag_waivers/index.shtml

After the electronic NOI has been submitted, you must print, sign, and mail the NOI to:

Central Coast Regional Water Quality Board
 Attn: Agricultural Regulatory Program
 895 Aerovista Place, Suite 101
 San Luis Obispo, CA 93401

-- For complete information about the regulatory requirements of the Agricultural Regulatory Program please visit the Program Website at:
www.swrcb.ca.gov/rwqcb3/water_issues/programs/ag_waivers/index.shtml

-- If you have any questions regarding the NOI, these instructions, or need help enrolling in the Agricultural Regulatory Program please contact Water Board staff at:
 Phone: (805) 549-3875
 Email: AgNOI@waterboards.ca.gov

Notice of Intent - Operation Info	<i>SUBMIT ONLINE COMPLETE REQUIRED INFORMATION FOR EACH OPERATION</i>
Language Preference	Select a language preference.
Section I: Intent to Enroll Operation	All of the information in this section is required, except fax number which is optional.
Name of Operation	Enter the name of the distinct farming business.
Operator/Responsible Party	Enter the name (first and last) of the discharger.
Operation Contact	Enter the name (first and last) of the contact person.
Business Mailing Address, City, State, Zip	Enter the street number and street name where correspondence should be sent (P.O. Box is acceptable). Enter the city, state and zip that applies to the business mailing address.
Phone Number, Fax Number, E-mail Address	Enter the phone number, fax number, and e-mail address of the operation contact person.
Section II: Submittal Type	Respond appropriately to all of the questions in this section, check all boxes that apply, and provide the required information. An operation that produces commercial crops sells the crop for commercial purposes.
Section III: Monitoring Selection	One monitoring option selection is required.
Cooperative Monitoring Program <i>(conducted by Central Coast Water Quality Preservation, Inc.)</i> Individual Monitoring Program <i>(conducted by individual operation according to the Monitoring and Reporting Program)</i>	Refer to Monitoring and Reporting Program No. R3-2004-0117: http://www.swrcb.ca.gov/rwqcb3/water_issues/programs/ag_waivers/docs/MPR_R3_2004_0117.pdf
Section IV: Farm Water Quality Management Plan	Respond appropriately to the question in this section, check the box that applies, and provide the required information.
Section V: Certified Water Quality Education	Respond appropriately to the question in this section and check the box that applies.
Section VI: Authorization and Certification	Read authorization and certification language and provide all the required information. After you have submitted the electronic NOI, you must print, sign, and mail the NOI (with ranch map, if applicable) to the Central Coast Regional Water Quality Board.
Print Name	Provide the name of the Operator/Responsible Party.
Title	Enter the title of the person signing the NOI.
Signature and Date	The person whose name is printed above must sign and date the NOI.

Notice of Intent - General Ranch Info		<i>SUBMIT ONLINE</i> <i>COMPLETE REQUIRED INFORMATION FOR EACH RANCH/FARM</i>
Name of Operation	Same name as stated in Section I: Intent to Enroll Operation.	
AW #	Same AW# as reported in Section II: Submittal Type. Leave blank for a new operation.	
Ranch/Farm Name	Enter the name of the Ranch/Farm.	
Section VII: Submittal Type	One box must be checked.	
Section VIII: Ranch Location	All of the information in this section is required.	
Ranch/Farm Address or Location and City	Enter the physical location where your ranch/farm is located. Provide an address or a road with the nearest cross street. Enter the city that applies to the address.	
Latitude and Longitude	Provide spatial location of each farm or ranch using the online location tool or global positioning system (GPS) device. The latitude and longitude coordinates should be measured at the centroid of each ranch or at the center of the largest parcel, and reported in decimal degrees. If using GPS, see Geotracker guidelines at: www.waterboards.ca.gov/water_issues/programs/ust/electronic_submittal/docs/geotrackersurvey_xyz_4_14_05.pdf Refer to Table 1 on pages 8 and 9.	
Ranch/Farm Map	Ranch map must be included by either uploading it to the electronic NOI submittal or submitted in hard copy with a signed copy of the NOI. The Ranch/Farm Map should contain the following: 1. Location of ranch/farm including major and minor roads; 2. Points where irrigation runoff leaves the operation and ranch(s)/farm(s); 3. Location of proximal surface waterbodies, groundwater wells, tile drains, tailwater or irrigation ponds, and existing perennial, intermittent, or ephemeral streams or riparian or wetland area habitats; 4. Location of Latitude/Longitude Measurement.	
Section IX: Assessor Parcel Number(s) and Landowner(s)	All of the information in this section is required, except phone number and fax number which are optional.	
Assessor Parcel #'s	Provide landowner information for the designated and corresponding Assessor Parcel Number (APN) for each parcel. If there are multiple parcels, provide the information for each parcel. To include additional landowners, click on Add Additional Land Owner. If you need assistance determining your APN(s), please contact your local assessor's office.	
Name of Landowner	Enter the name (first and last) of the landowner.	
Contact Name	Enter the name (first and last) of the contact person.	
Mailing Address, City, State, Zip	Enter the street number and street name where correspondence to the landowner should be sent (P.O. Box is acceptable). Enter the city, state and zip that applies to the mailing address.	
Phone Number, Fax Number, E-mail Address	Enter the phone number, fax number, and e-mail address of the landowner contact person.	
Section X: Ranch/Farm Contact Information	All of the information in this section is required, except phone number and fax number which are optional.	
Ranch/Farm Contact	Enter the name (first and last) of the person responsible for managing the ranch and making the day-to-day decisions.	
Mailing Address, City, State, Zip	Enter the street number and street name where correspondence to the Ranch/Farm contact should be sent (P.O. Box is acceptable). Enter the city, state and zip that applies to the mailing address.	
Phone Number, Fax Number, E-mail Address	Enter the phone number, fax number, and e-mail address of the ranch/farm contact person.	

Notice of Intent - General Ranch Info	
SUBMIT ONLINE COMPLETE REQUIRED INFORMATION FOR EACH <u>RANCH/FARM</u>	
Section XI: Ranch/Farm Acreage and Practice Information	Respond appropriately to all of the fields in this section and provide the required information.
Total Irrigated Acres	Report total irrigated acres that are 1). Irrigated to produce a crop and 2). In rotation within the next 12 months (does not include roads, ponds, non-agricultural or dry farmed areas).
Total Tailwater Acres	Total tailwater acres is auto calculated and populated with the sum of acres (A + B), reported under Irrigation Discharge Type(s): A). Acres Discharging to <u>Ditches or Any Other Type of Surface Discharge</u> . B). Acres Discharging to <u>Tile Drains or Any Other Type of Sub-Surface Drainage System</u> .
Irrigation Discharge Type(s)	Report Irrigation Discharge Type(s) for acres that are 1). Irrigated to produce a crop and 2). In rotation within the next 12 months , that are defined as: A). Acres Discharging to <u>Ditches or Any Other Type of Surface Discharge</u> B). Acres Discharging to <u>Tile Drains or Any Other Type of Sub-Surface Drainage System</u> . C). Acres Discharging to <u>Pond(s)</u> :
Irrigation System Type(s)	Check the irrigation type(s) that most closely correspond to this ranch/farm.
Crop Type(s)	Check the crop type(s) that were grown in the past 12 months and/or will be in rotation within the next 12 months. For row crops, specifically state the crop by choosing from the drop down lists. For a complete list of selections for row crop (s), refer to page 3 of 3 of these instructions.
Specific Chemical Use	Check whether or not diazinon or chlorpyrifos have been used in the past 12 months and/or will be used during the next 12 months on the ranch/farm. These active ingredients are currently known to cause toxicity. Due to the fluctuating registrations of many materials, trade names are not listed. It is the responsibility of the applicant to determine use of these specific active ingredients and state which active ingredients are use on the ranch/farm.
Section XII: Waterbody Information	Respond appropriately to the questions in this section, check all boxes that apply, and provide information.
Section XIII: Pesticide Permit Information	Responde appropriately to the questions in this section and provide the required information.
Operator Identification Number	Report this information in the format provided. This information can be located on the "Production Agriculture Monthly Pesticide Use Report" submitted to the Agricultural Commissioner following pesticide application. Format: XX - XX - XXXXXXXX county # year permit #
Site ID	Report this information as it is reported on the Pesticide Use Report. The site ID is the code assigned by the County Agricultural Commissioner that indicates a location where a pesticide application may occur.
Name of Permit Holder	Enter the name of the person who holds the permit for the Operator Identification Number to apply pesticides.
