***TRANSMITTAL OF ORDER RESCINDING WASTE DISCHARGE REQUIREMENTS,  
OX BOW MARINA MUTUAL WATER COMPANY WATER SUPPLY PROJECT,  
SACRAMENTO COUNTY***

On 22 July 2016, the Executive Officer of the Central Valley Regional Water Quality Control Board issued a Notice of Applicability granting coverage under the State Water Resources Control Board's *Statewide General Waste Discharge Requirements for Discharges to Land with a Low Threat to Water Quality* (Order 2003-003-DWQ) to Ox Bow Marina Water Company for construction dewatering.

Your Notice of Termination dated 21 July 2017, states that no further discharges for construction dewatering will occur and you wish to terminate coverage under the General Waste Discharge Requirements. Based on that information, coverage under Order 2003-003-DWQ-0150 is hereby rescinded.

If you have any questions about the rescission, please contact Scott Armstrong at (916) 464-4616 [sarmstrong@waterboards.ca.gov](mailto:sarmstrong@waterboards.ca.gov).
