***TRANSMITTAL OF ORDER RESCINDING WASTE DISCHARGE REQUIREMENTS,  
PACIFIC GAS & ELECTRIC, NATURAL GAS PIPELINE SEGMENT T-1264 HYDROSTATIC  
TEST DISCHARGE, STANISLAUS COUNTY***

On 28 March 2017, the Executive Officer of the Central Valley Regional Water Quality Control Board issued a Notice of Applicability granting coverage under the State Water Resources Control Board's *Statewide General Waste Discharge Requirements for Discharges to Land with a Low Threat to Water Quality* (Order 2003-003-DWQ) to Pacific Gas & Electric for discharges to land from hydrostatic testing for pipeline segment T-1264.

Your Notice of Termination, dated 25 September 2017, states that no further discharges from the project will occur and you wish to terminate coverage under the General Waste Discharge Requirements. Based on that information, coverage under Order 2003-003-DWQ-0165 is hereby rescinded.

If you have any questions about the rescission, please contact Scott Armstrong at (916) 464-4616 [sarmstrong@waterboards.ca.gov](mailto:sarmstrong@waterboards.ca.gov).
