**TERMINATION OF PETROLEUM GENERAL ORDER NO. R5-2008-0149-014, ANGELICA  
TEXTILE CORPORATION, 1409 4<sup>th</sup> STREET, ANTIOCH, CONTRA COSTA COUNTY,  
LUSTIS No. 070113**

On 1 December 2011, Regional Board staff (Staff) received a communication from you requesting termination of your Petroleum General Order No. R5-2008-0149-014, General Waste Discharge Requirements for In-Situ Groundwater Remediation at Sites with Volatile Organic Compounds, Nitrogen Compounds, Perchlorate, Pesticides, Semi-Volatile Compounds and/or Petroleum Compounds, for the use of in-situ chemical oxidation for remediating the effects of an unauthorized release of petroleum hydrocarbons to soil and groundwater at your site. Based upon the results of the sampling and monitoring, the in-situ injection was successful and the site was closed. Regional Board staff agree that termination of coverage under the General Permit No. R5-2008-00149 is reasonable and appropriate. Therefore, effective immediately, this permit is terminated.

Please contact Pat Vellines at (916) 464- 4696 if you have questions or comments.
