ADMINISTRATIVE CIVIL LIABILITY COMPLAINT R5-2016-0526

MANDATORY PENALTY  
IN THE MATTER OF

EAST BAY MUNICIPAL UTILITY DISTRICT  
PARDEE RESERVOIR RECREATION AREA WATER TREATMENT PLANT  
AMADOR COUNTY

This Complaint is issued to the East Bay Municipal Utility District (hereafter Discharger) pursuant to California Water Code (Water Code) section 13385, which authorizes the imposition of Administrative Civil Liability, Water Code section 13323, which authorizes the Executive Officer to issue this Complaint, and Water Code section 7, which authorizes the delegation of the Executive Officer's authority to a deputy, in this case the Assistant Executive Officer. This Complaint is based on findings that the Discharger violated provisions of Waste Discharge Requirements (WDRs) Orders R5-2008-0082-010 and R5-2013-0073-010 (NPDES CAG995002).

The Assistant Executive Officer of the Central Valley Regional Water Quality Control Board (Central Valley Water Board or Board) alleges the following:

1. On 19 November 2008, the Discharger applied for coverage under the Waste Discharge Requirements for *Limited Threat Discharges of Treated/Untreated Groundwater from Cleanup Sites, Wastewater from Superchlorination Projects, and Other Limited Threat Wastewaters to Surface Water* (Limited Threat General Order) R5-2008-0082, and on 28 April 2009, the Executive Officer issued Notice of Applicability (NOA) R5-2008-0082-010 for coverage under the Low Threat General Order.
2. On 3 August 2012, the Board issued WDRs Order R5-2008-0082-01, amending WDRs R5-2008-0082. On 31 May 2013, the Board issued WDRs Order R5-2013-0073, which contained new requirements and rescinded WDR R5-2008-0082-01, except for enforcement purposes. The Discharger was automatically enrolled under Limited Threat General Order R5-2013-0073-010. On 6 June 2014, the Board issued WDRs Order R5-2013-0073-01, which amended WDRs Order R5-2013-0073.
3. This Complaint addresses administrative civil liability for an effluent violation that occurred between 28 April 2009 and 31 December 2015. This violation is specifically identified as subject to mandatory minimum penalties in Attachment A to this Complaint, which is attached hereto and incorporated herein by reference.
4. On 19 January 2016, Central Valley Water Board staff issued the Discharger a Notice of Violation and draft Record of Violations. On 5 February 2016, the Discharger responded and agreed with the violation. This Complaint extends the review period through 31 December 2015; no additional violations were found other than those cited in the ROV.
5. Water Code section 13385(h) and (i) require assessment of mandatory penalties and state, in part, the following:

Water Code section 13385(h)(1) states:

Notwithstanding any other provision of this division, and except as provided in subdivisions (j), (k), and (l), a mandatory minimum penalty of three thousand dollars (\$3,000) shall be assessed for each serious violation.

Water Code section 13385 (h)(2) states:

For the purposes of this section, a "serious violation" means any waste discharge that violates the effluent limitations contained in the applicable waste discharge requirements for a Group II pollutant, as specified in Appendix A to Section 123.45 of Title 40 of the Code of Federal Regulations, by 20 percent or more or for a Group I pollutant, as specified in Appendix A to Section 123.45 of Title 40 of the Code of Federal Regulations, by 40 percent or more.

Water Code section 13385 subdivision (i)(1) states, in part:

Notwithstanding any other provision of this division, and except as provided in subdivisions (j), (k), and (l), a mandatory minimum penalty of three thousand dollars (\$3,000) shall be assessed for each violation whenever the person does any of the following four or more times in any period of six consecutive months, except that the requirement to assess the mandatory minimum penalty shall not be applicable to the first three violations:

- A) Violates a waste discharge requirement effluent limitation.
- B) Fails to file a report pursuant to Section 13260.
- C) Files an incomplete report pursuant to Section 13260.
- D) Violates a toxicity effluent limitation contained in the applicable waste discharge requirements where the waste discharge requirements do not contain pollutant-specific effluent limitations for toxic pollutants.

6. Water Code section 13323 states, in part:

Any executive officer of a regional board may issue a complaint to any person on whom administrative civil liability may be imposed pursuant to this article. The complaint shall allege the act or failure to act that constitutes a violation of law, the provision authorizing civil liability to be imposed pursuant to this article, and the proposed civil liability.

7. WDRs Order R5-2013-0073-01, Effluent Limitations V.D.1 includes, in part, the following effluent limitations:

1. **Total Residual Chlorine.** In addition to the effluent limitations contained in Sections V.A. and V.B. above, the discharge from a superchlorination project shall not exceed the following effluent limitations for total residual chlorine:

- a. 0.011 mg/L, as a 4-day average; and
- b. 0.019 mg/L, as a 1-hour average.

8. According to the Discharger's self-monitoring reports, the Discharger committed one (1) serious Group II violation of the above effluent limitations contained in WDRs Order R5-2013-0073-01. This violation is defined as serious because measured concentrations of Group II constituents exceeded maximum prescribed levels in WDRs Order R5-2013-0073-01 by 20 percent or more. The mandatory minimum penalty for this serious violation is **three thousand dollars (\$3,000)**.

9. The total amount of the mandatory penalties assessed for the alleged effluent violation is **three thousand dollars (\$3,000)**. As stated herein, a detailed list of the alleged effluent violation is included in Attachment A. This Complaint addresses administrative civil liability for a violation that is specifically identified as subject to mandatory minimum penalties in Attachment A.
10. On 14 February 2014, the Executive Officer designated Andrew Altevogt, Assistant Executive Officer, as the Lead Prosecution Officer for all enforcement matters originating in the Rancho Cordova Office. The 14 February 2014 Delegation of Authority also authorizes Andrew Altevogt to issue Administrative Civil Liability Complaints.
11. Issuance of this Administrative Civil Liability Complaint to enforce Water Code Division 7, Chapter 5.5 is exempt from the provisions of the California Environmental Quality Act (Pub. Resources Code section 21000 et seq.), in accordance with California Code of Regulations, title 14, section 15321(a)(2).

**THE EAST BAY MUNICIPAL UTILITY DISTRICT IS HEREBY GIVEN NOTICE THAT:**

1. The Assistant Executive Officer of the Central Valley Water Board proposes that the Discharger be assessed an Administrative Civil Liability in the amount of **three thousand dollars (\$3,000)**.
2. A hearing on this matter will be held at the Central Valley Water Board meeting scheduled on **23/24 June 2016**, unless the Discharger does one of the following by **27 April 2016**:
  - a) Waives the hearing by completing the attached form (checking off the box next to Option 1) and returning it to the Central Valley Water Board. In addition, submits payment for the proposed civil liability of **three thousand dollars (\$3,000)** to the State Water Board with a copy of the check to the Central Valley Water Board; or
  - b) Requests to engage in settlement discussions by checking the box next to Option 2 on the attached form, and returning it to the Board along with a letter describing the issues to be discussed. The Central Valley Water Board must agree to the postponement; or
  - c) Requests to delay the hearing by checking off the box next to Option 3 on the attached form, and returning it to the Board along with a letter describing the proposed length of delay and the issues to be discussed. The Central Valley Water Board must agree to the postponement.
3. If a hearing on this matter is held, the Central Valley Water Board will consider whether to affirm, reject, or modify the proposed Administrative Civil Liability, or whether to refer the matter to the Attorney General for recovery of judicial civil liability.
4. If this matter proceeds to hearing, the Assistant Executive Officer reserves the right to amend the proposed amount of civil liability to conform to the evidence presented, including but not limited to, increasing the proposed amount to account for the costs of enforcement (including staff, legal and expert witness costs) incurred after the date of the issuance of this Complaint through completion of the hearing.

FOR ADMINISTRATIVE CIVIL LIABILITY COMPLAINT**

By signing this waiver, I affirm and acknowledge the following:

I am duly authorized to represent the East Bay Municipal Utility District (hereafter Discharger) in connection with Administrative Civil Liability Complaint R5-2016-0526 (hereafter Complaint). I am informed that California Water Code section 13323, subdivision (b), states that, "a hearing before the regional board shall be conducted within 90 days after the party has been served. - a. I hereby waive any right the Discharger may have to a hearing before the Central Valley Water Board.
- b. I certify that the Discharger will remit payment for the proposed civil liability in the full amount of **three thousand dollars (\$3,000)** by check that references "ACL Complaint R5-2016-0526" made payable to the *State Water Pollution Cleanup and Abatement Account*. Payment must be received by the State Water Resources Control Board, Accounting Office, Attn: ACL Payment at PO Box 1888, Sacramento, California, 95812-1888 by **27 April 2016**. Should the Central Valley Water Board receive significant new information or comments during this comment period, the Central Valley Water Board's Assistant Executive Officer may withdraw the complaint, return payment, and issue a new complaint. I also understand that approval of the settlement will result in the Discharger having waived the right to contest the allegations in the Complaint and the imposition of civil liability.
- d. I understand that payment of the above amount is not a substitute for compliance with applicable laws and that continuing violations of the type alleged in the Complaint may subject the Discharger to further enforcement, including additional civil liability.

**(OPTION 2: Check here if the Discharger waives the 90-day hearing requirement in order to engage in settlement discussions.)** I hereby waive any right the Discharger may have to a hearing before the Central Valley Water Board within 90 days after service of the complaint, but I reserve the ability to request a hearing in the future. I certify that the Discharger will promptly engage the Central Valley Water Board Prosecution Team in settlement discussions to attempt to resolve the outstanding violation(s).
