Thank you for submitting the Notice of Termination Form dated 26 October 2026 requesting termination of coverage under the Limited Threat General Order R5-2022-0006-03 for the Contra Costa Canal Replacement Project Segment 5 (Project).

On 5 January 2023, the Central Valley Regional Water Quality Control Board issued a Notice of Applicability for the Project, which was assigned Limited Threat General Order R5-2022-0006-009. Please note that you must still submit your last quarterly monitoring report required under the Limited Threat General Order to the Compliance/Enforcement staff. Failure to do so subjects you to mandatory minimum penalties or discretionary penalties.

If you have any questions, please contact Danielle Goode at (916) 464-4843 or danielle.goode@waterboards.ca.gov.
