CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
CENTRAL VALLEY REGION

ADMINISTRATIVE CIVIL LIABILITY COMPLAINT R5-2012-0536
For

MANDATORY PENALTY
IN THE MATTER OF

SIERRA PACIFIC INDUSTRIES, INC., QUINCY DIVISION
PLUMAS COUNTY

WDID NO. 5A321016001

This Administrative Civil Liability Complaint (Complaint) is issued to Sierra Pacific Industries, Inc., Quincy Division (hereafter Discharger) pursuant to California Water Code (CWC) section 13385, which authorizes the imposition of Administrative Civil Liability, CWC section 13323, which authorizes the Executive Officer to issue this Complaint, and CWC section 7, which authorizes the delegation of the Executive Officer’s authority to a deputy, in this case the Assistant Executive Officer. This Complaint is based on findings that the Discharger violated provisions of Waste Discharge Requirements (WDRs) Order R5-2008-0090 (NPDES No. CA0080357).

The Assistant Executive Officer of the California Regional Water Quality Control Board, Central Valley Region (Central Valley Water Board) finds the following:

1. Discharger owns and operates a 210 million board foot sawmill in conjunction with a wood-burning cogeneration facility, in Quincy, California. Commingled process water and storm water is discharged through Discharge D-001 to Mill Creek, a water of the United States.

2. On 12 June 2008, the Central Valley Water Board issued Waste Discharge Requirements Order R5-2008-0090 (NPDES No. CA0080357), to regulate discharges of process water and storm water runoff generated from sawmill operations at the facility.

3. CWC section 13385(h) and (i) require assessment of mandatory penalties and state, in part, the following:

   CWC section 13385(h)(1) states:

   Notwithstanding any other provision of this division, and except as provided in subdivisions (j), (k), and (l), a mandatory minimum penalty of three thousand dollars ($3,000) shall be assessed for each serious violation.

   CWC section 13385 (h)(2) states,

   For the purposes of this section, a ‘serious violation’ means any waste discharge that violates the effluent limitations contained in the applicable waste discharge requirements for a Group II pollutant, as specified in Appendix A to Section 123.45 of Title 40 of the Code of Federal Regulations, by 20 percent or more or for a Group I pollutant, as specified in Appendix A to Section 123.45 of Title 40 of the Code of Federal Regulations, by 40 percent or more.
4. CWC section 13323 states, in part:

Any executive officer of a regional board may issue a complaint to any person on whom administrative civil liability may be imposed pursuant to this article. The complaint shall allege the act or failure to act that constitutes a violation of law, the provision authorizing civil liability to be imposed pursuant to this article, and the proposed civil liability.

5. WDRs Order No. R5-2008-0090 includes, Effluent Limitations IV.A.1.a. states, in part, the following final effluent limitations:

1. The Discharger shall maintain compliance with the following effluent limitations at Discharge Point D-001, with compliance measured at Monitoring Location 001 as described in the attached MRP (Attachment E):

b. **Acute Whole Effluent Toxicity.** Survival of aquatic organisms in 96-hour bioassays of undiluted waste shall be no less than:

i. 70%, minimum for one bioassay; and

ii. 90%, median for any three consecutive bioassays.

6. CWC section 13385(h)(2) defines a serious violation as an exceedance of 40% or more of a group I pollutant as defined in 40 CFR 123.45 or an exceedance by 20% or more of a group II pollutant as defined in 40 CFR 123.45. Copper, total recoverable, and lead, total recoverable, are group II pollutants under 40 CFR 123.45. The measured violations are “serious violation” under CWC section 13385(h), because copper, total recoverable, and lead, total recoverable, are group II pollutant, and the measured violations exceeded 20% or more of the permit limit.

7. According to the Discharger’s self-monitoring reports, the Discharger committed two (2) serious Group II violations of the above effluent limitations contained in the WDRs Order R5-2008-0090 during the period beginning on 1 January 2012 and ending on 31 January 2012. A detailed list of the cited effluent violations is included in Attachment A, a part of this Complaint. The mandatory minimum penalty for these two (2) serious violations is **six thousand dollars ($6,000)**.
8. Issuance of this Administrative Civil Complaint to enforce CWC Division 7, Chapter 5.5 is exempt from provisions of the California Environmental Quality Act (Pub. Resources Code section 21000 et seq.), in accordance with California Code of Regulations, title 14, section 15321 subsection (a)(2).
SIERRA PACIFIC INDUSTRIES, INC., QUINCY DIVISION IS HEREBY GIVEN NOTICE
THAT:

1) The Assistant Executive Officer of the Central Valley Water Board proposes that the
Discharger be assessed an Administrative Civil Liability in the amount of six thousand
dollars ($6,000).

2) A hearing on this matter will be conducted at the Central Valley Water Board meeting
scheduled on 2/3 August 2012, unless either of the following occurs by 28 May 2012:
   a) The Discharger waives the hearing by completing the attached form (checking off the
      box next to Option #1) and returning it to the Central Valley Water Board, along with
      payment for the proposed civil liability of six thousand dollars ($6,000); or
   b) The Central Valley Water Board agrees to postpone any necessary hearing after the
      Discharger requests to engage in settlement discussions by checking off the box next to
      Option #2 on the attached form, and returns it to the Board along with a letter describing
      the issues to be discussed; or
   c) The Central Valley Water Board agrees to postpone any necessary hearing after the
      Discharger requests a delay by checking off the box next to Option #3 on the attached
      form, and returns it to the Board along with a letter describing the issues to be
      discussed.

3) If a hearing on this matter is conducted, the Central Valley Water Board will consider
whether to affirm, reject, or modify the proposed Administrative Civil Liability, or whether to
refer the matter to the Attorney General for recovery of judicial civil liability.

If this matter proceeds to hearing, the Executive Officer reserves the right to amend the
proposed amount of civil liability to conform to the evidence presented, including but not limited
to, increasing the proposed amount to account for the costs of enforcement (including staff,
legal and expert witness costs) incurred after the date of the issuance of this Complaint
through completion of the hearing.

Attachment A: Record of Violations
WAIVER FORM
FOR ADMINISTRATIVE CIVIL LIABILITY COMPLAINT

By signing this waiver, I affirm and acknowledge the following:

I am duly authorized to represent the Sierra Pacific Industries, Inc., Quincy Division (hereafter Discharger) in connection with Administrative Civil Liability Complaint R5-2012-0536 (hereafter Complaint). I am informed that California Water Code section 13323, subdivision (b), states that, “a hearing before the regional board shall be conducted within 90 days after the party has been served. The person who has been issued a complaint may waive the right to a hearing.”

☐ (OPTION 1: Check here if the Discharger waives the hearing requirement and will pay in full.)

a. I hereby waive any right the Discharger may have to a hearing before the Central Valley Water Board.
b. I certify that the Discharger will remit payment for the proposed civil liability in the full amount of six thousand dollars ($6,000) by check that references “ACL Complaint R5-2012-0536” made payable to the State Water Pollution Cleanup and Abatement Account. Payment must be received by the Central Valley Water Board by 28 May 2012.
c. I understand the payment of the above amount constitutes a proposed settlement of the Complaint, and that any settlement will not become final until after a 30-day public notice and comment period. Should the Central Valley Water Board receive significant new information or comments during this comment period, the Central Valley Water Board’s Executive Officer may withdraw the complaint, return payment, and issue a new complaint. I also understand that approval of the settlement will result in the Discharger having waived the right to contest the allegations in the Complaint and the imposition of civil liability.
d. I understand that payment of the above amount is not a substitute for compliance with applicable laws and that continuing violations of the type alleged in the Complaint may subject the Discharger to further enforcement, including additional civil liability.

☐ (OPTION 2: Check here if the Discharger waives the 90-day hearing requirement in order to engage in settlement discussions.) I hereby waive any right the Discharger may have to a hearing before the Central Valley Water Board within 90 days after service of the complaint, but I reserve the ability to request a hearing in the future. I certify that the Discharger will promptly engage the Central Valley Water Board Prosecution Team in settlement discussions to attempt to resolve the outstanding violation(s). By checking this box, the Discharger requests that the Central Valley Water Board delay the hearing so that the Discharger and the Prosecution Team can discuss settlement. It remains within the discretion of the Central Valley Water Board to delay the hearing. Any proposed settlement is subject to the conditions described above under “Option 1.”

☐ (OPTION 3: Check here if the Discharger waives the 90-day hearing requirement in order to extend the hearing date and/or hearing deadlines. Attach a separate sheet with the amount of additional time requested and the rationale.) I hereby waive any right the Discharger may have to a hearing before the Central Valley Water Board within 90 days after service of the complaint. By checking this box, the Discharger requests that the Central Valley Water Board delay the hearing and/or hearing deadlines so that the Discharger may have additional time to prepare for the hearing. It remains within the discretion of the Central Valley Water Board to approve the extension.

HEARING PROCEDURE
FOR ADMINISTRATIVE CIVIL LIABILITY COMPLAINT
R5-2012-0536

ISSUED TO
SIERRA PACIFIC INDUSTRIES, INC., QUINCY DIVISION
WDID NO. 5A321016001

PLUMAS COUNTY

SCHEDULED FOR AUGUST 2/3, 2012

PLEASE READ THIS HEARING PROCEDURE CAREFULLY. FAILURE TO COMPLY WITH THE DEADLINES AND OTHER REQUIREMENTS CONTAINED HEREIN MAY RESULT IN THE EXCLUSION OF YOUR DOCUMENTS AND/OR TESTIMONY.

Overview
Pursuant to Water Code section 13323, The Assistant Executive Officer has issued an Administrative Civil Liability (ACL) Complaint in the amount of six thousand dollars ($6,000) to Sierra Pacific Industries, Inc. (Discharger), alleging violations of CWC section 13385 by the Discharger, who violated provisions of Waste Discharge Requirements (WDRs) Order R5-2008-0090 (NPDES No. CA0080357). A hearing is currently scheduled to be conducted before the Board during its August 2/3, 2012 meeting.

The purpose of the hearing is to consider relevant evidence and testimony regarding the ACL Complaint. At the hearing, the Central Valley Water Board will consider whether to issue an administrative civil liability order assessing the proposed liability, or a higher or lower amount. The Board may also decline to assess any liability, or may continue the hearing to a later date. If less than a quorum of the Board is available, this matter may be conducted before a hearing panel. The public hearing will commence at 8:30 a.m. or as soon thereafter as practical, or as announced in the Board’s meeting agenda. The meeting will be held at:

11020 Sun Center Drive, Suite 200, Rancho Cordova, California.

An agenda for the meeting will be issued at least ten days before the meeting and posted on the Board’s web page at:

http://www.waterboards.ca.gov/centralvalley/board_info/meetings

Hearing Procedure
The hearing will be conducted in accordance with this Hearing Procedure, which has been approved by the Board Chair for the adjudication of such matters. The procedures governing adjudicatory hearings before the Central Valley Water Board may be found at California Code of Regulations, title 23, section 648 et seq., and are available at

http://www.waterboards.ca.gov

Copies will be provided upon request. In accordance with Section 648(d), any procedure not provided by this Hearing Procedure is deemed waived. Except as provided in Section 648(b) and herein, Chapter 5 of the Administrative Procedures Act (Gov’t Code, § 11500 et seq.) does not apply to this hearing.

The Discharger shall attempt to resolve objections to this Hearing Procedure with the Prosecution Team BEFORE submitting objections to the Advisory Team.

Hearing Participants
Participants in this proceeding are designated as either “Designated Parties” or “Interested Persons.” Designated Parties may present evidence and cross-examine witnesses and are subject to cross-examination. Interested Persons may present non-evidentiary policy statements, but may not cross-examine witnesses and are not subject to cross-examination. Interested Persons generally may not present evidence (e.g., photographs, eye-witness testimony, monitoring data). At the hearing, both Designated Parties and Interested Persons may be asked to respond to clarifying questions from the Central Valley Water Board, staff, or others, at the discretion of the Board Chair.

The following participants are hereby designated as Designated Parties in this proceeding:

1. Central Valley Water Board Prosecution Team
2. Sierra Pacific Industries, Inc., Quincy Division

Requesting Designated Party Status

Persons who wish to participate in the hearing as a Designated Party must request designated party status by submitting a request in writing so that it is received no later than the deadline listed under “Important Deadlines” below. The request shall include an explanation of the basis for status as a Designated Party (i.e., how the issues to be addressed at the hearing affect the person, the need to present evidence or cross-examine witnesses), along with a statement explaining why the parties listed above do not adequately represent the person’s interest. Any objections to these requests for designated party status must be submitted so that they are received no later than the deadline listed under “Important Deadlines” below.

Separation of Prosecutorial and Advisory Functions

To help ensure the fairness and impartiality of this proceeding, the functions of those who will act in a prosecutorial role by presenting evidence for consideration by the Board (the “Prosecution Team”) have been separated from those who will provide legal and technical advice to the Board (the “Advisory Team”). Members of the Advisory Team are: Ken Landau and David Coupe. Members of the Prosecution Team are: Pamela Creedon, Robert Crandall, Bryan Smith, George Day, Daniel Warner, and Ellen Howard.

Any members of the Advisory Team who normally supervise any members of the Prosecution Team are not acting as their supervisors in this proceeding, and vice versa. Pamela Creedon regularly advises the Central Valley Water Board in other, unrelated matters, but is not advising the Central Valley Water Board in this proceeding. Other members of the Prosecution Team act or have acted as advisors to the Central Valley Water Board in other, unrelated matters, but they are not advising the Central Valley Water Board in this proceeding. Members of the Prosecution Team have not had any ex parte communications with the members of the Central Valley Water Board or the Advisory Team regarding this proceeding.

Ex Parte Communications

Designated Parties and Interested Persons are forbidden from engaging in ex parte communications regarding this matter. An ex parte communication is a written or verbal communication related to the
investigation, preparation, or prosecution of the ACL Complaint between a Designated Party or an Interested Person and a Board Member or a member of the Board’s Advisory Team. However, if the communication is copied to all other persons (if written) or is made in a manner open to all other persons (if verbal), then the communication is not considered an ex parte communication. Communications regarding non-controversial procedural matters are also not considered ex parte communications and are not restricted.

**Hearing Time Limits**

To ensure that all participants have an opportunity to participate in the hearing, the following time limits shall apply: Each Designated Party shall have a combined 30 minutes to present evidence (including evidence presented by witnesses called by the Designated Party), to cross-examine witnesses (if warranted), and to provide a closing statement. Each Interested Person shall have 3 minutes to present a non-evidentiary policy statement. Participants with similar interests or comments are requested to make joint presentations, and participants are requested to avoid redundant comments. Participants who would like additional time must submit their request to the Advisory Team so that it is received no later than the deadline listed under “Important Deadlines” below. Additional time may be provided at the discretion of the Advisory Team (prior to the hearing) or the Board Chair (at the hearing) upon a showing that additional time is necessary. Such showing shall explain what testimony, comments, or legal argument requires extra time, and why it could not have been provided in writing by the applicable deadline.

A timer will be used, but will not run during Board questions or the responses to such questions, or during discussions of procedural issues.

**Submission of Evidence and Policy Statements**

The Prosecution Team and all other Designated Parties (including the Discharger) must submit the following information in advance of the hearing:

1. All evidence (other than witness testimony to be presented orally at the hearing) that the Designated Party would like the Central Valley Water Board to consider. Evidence and exhibits already in the public files of the Central Valley Board may be submitted by reference, as long as the exhibits and their location are clearly identified in accordance with California Code of Regulations, title 23, section 648.3. Board members will not generally receive copies of materials incorporated by reference unless copies are provided, and the referenced materials are generally not posted on the Board’s website.

2. All legal and technical arguments or analysis.

3. The name of each witness, if any, whom the Designated Party intends to call at the hearing, the subject of each witness’ proposed testimony, and the estimated time required by each witness to present direct testimony.

4. The qualifications of each expert witness, if any.

**Prosecution Team:** The Prosecution Team’s information must include the legal and factual basis for its claims against each Discharger; a list of all evidence on which the Prosecution Team relies, which must include, at a minimum, all documents cited in the ACL Complaint, Staff Report, or other material submitted by the Prosecution Team; and the witness information required under items 3-4 for all witnesses, including Board staff.

**Designated Parties (including the Discharger):** All Designated Parties shall submit comments regarding the ACL Complaint along with any additional supporting evidence not cited by the Central Valley Water Board’s Prosecution Team no later than the deadline listed under “Important Deadlines” below.
Rebuttal: Any Designated Party that would like to submit evidence, legal analysis, or policy statements to rebut information previously submitted by other Designated Parties shall submit this rebuttal information so that it is received no later than the deadline listed under “Important Deadlines” below. “Rebuttal” means evidence, analysis or comments offered to disprove or contradict other submissions. Rebuttal shall be limited to the scope of the materials previously submitted. Rebuttal information that is not responsive to information previously submitted may be excluded.

Copies: Board members will receive copies of all submitted materials. The Board Members’ hard copies will be printed in black and white on 8.5”x11” paper from the Designated Parties’ electronic copies. Designated Parties who are concerned about print quality or the size of all or part of their written materials should provide an extra nine paper copies for the Board Members. For voluminous submissions, Board Members may receive copies in electronic format only. Electronic copies will also be posted on the Board’s website. Parties without access to computer equipment are strongly encouraged to have their materials scanned at a copy or mailing center. The Board will not reject materials solely for failure to provide electronic copies.

Other Matters: The Prosecution Team will prepare a summary agenda sheet (Summary Sheet) and will respond to all significant comments. The Summary Sheet and the responses shall clearly state that they were prepared by the Prosecution Team. The Summary Sheet and the responses will be posted online, as will revisions to the proposed Order.

Interested Persons: Interested Persons who would like to submit written non-evidentiary policy statements are encouraged to submit them to the Advisory Team as early as possible, but they must be received by the deadline listed under “Important Deadlines” to be included in the Board’s agenda package. Interested Persons do not need to submit written comments in order to speak at the hearing.

Prohibition on Surprise Evidence: In accordance with California Code of Regulations, title 23, section 648.4, the Central Valley Water Board endeavors to avoid surprise testimony or evidence. Absent a showing of good cause and lack of prejudice to the parties, the Board Chair will likely exclude evidence and testimony that is not submitted in accordance with this Hearing Procedure. Excluded evidence and testimony will not be considered by the Central Valley Water Board and will not be included in the administrative record for this proceeding.

Presentations: Power Point and other visual presentations may be used at the hearing, but their content shall not exceed the scope of other submitted written material. These presentations must be provided to the Advisory Team at or before the hearing both in hard copy and in electronic format so that they may be included in the administrative record.

Witnesses: All witnesses who have submitted written testimony shall appear at the hearing to affirm that the testimony is true and correct, and shall be available for cross-examination.

Evidentiary Documents and File
The ACL Complaint and related evidentiary documents are on file and may be inspected or copied at the Central Valley Water Board office at 11020 Sun Center Drive, Rancho Cordova, CA 95670. This file shall be considered part of the official administrative record for this hearing. Other submittals received for this proceeding will be added to this file and will become a part of the administrative record absent a contrary ruling by the Central Valley Water Board’s Chair. Many of these documents are also posted on-line at:

* Dischargers have the right to a hearing before the Board within 90 days of receiving the Complaint, but this right can be waived (to facilitate settlement discussions, for example). By submitting the waiver form, the Discharger is not waiving the right to a hearing; unless a settlement is reached, the Board will hold a hearing prior to imposing civil liability. However, if the Board accepts the waiver, all deadlines marked with an “*” will be revised if a settlement cannot be reached.

† This deadline is set based on the date that the Board compiles the Board Members’ agenda packages. Any material received after this deadline will not be included in the Board Members’ agenda packages.
