CENTRAL VALLEY REGION

ADMINISTRATIVE CIVIL LIABILITY ORDER R5-2011-0070

IN THE MATTER OF

BARRY, ARNOLD, AND CLARA VAN LEEUWEN
(A&C VAN LEEUWEN FAMILY TRUST)
JAB DAIRY
STANISLAUS COUNTY

This Order is issued to Barry, Arnold, and Clara Van Leeuwen (A&C Van Leeuwen Family Trust)(hereafter Discharger) pursuant to California Water Code (CWC) section 13268, which authorizes the imposition of Administrative Civil Liability. This Order is based on findings that the Discharger violated provisions of Waste Discharge Requirements General Order for Existing Milk Cow Dairies, Order R5-2007-0035 (hereinafter General Order).

The Central Valley Regional Water Quality Control Board (Central Valley Water Board or Board) finds the following:

1. The Discharger owns and operates the JAB Dairy (Dairy) located at 9848 Milnes Road, Modesto, Stanislaus County.
2. The Dairy is regulated by the Waste Discharge Requirements General Order for Existing Milk Cow Dairies, Order R5-2007-0035 (hereinafter General Order), which was issued by the Central Valley Water Board on 3 May 2007. Monitoring and Reporting Program R5-2007-0035 (hereinafter MRP) accompanies the General Order. The General Order and the MRP contain reporting requirements for dairies regulated by the General Order. The General Order became effective on 9 May 2007.
3. CWC section 13267 authorizes the Regional Water Boards to require the submittal of technical and monitoring reports from any person who has discharged, discharges, or is suspected of having discharged or discharging, or who proposes to discharge to waters of the state.
4. The General Order and the MRP required the Discharger to submit the 2008 Annual Report by 1 July 2009 pursuant to the Central Valley Water Board's authority in accordance with CWC section 13267.
5. The General Order and the MRP required the Discharger to submit the 2009 Annual Report by 1 July 2010 pursuant to the Central Valley Water Board's authority in accordance with CWC section 13267.

6. The General Order and MRP required the Discharger to submit a Waste Management Plan by 1 July 2009 pursuant to the Central Valley Water Board's authority in accordance with CWC section 13267. However, the General Order was amended by Order No. R5-2009-0029 to extend the deadline to submit the Waste Management Plan to 1 July 2010 in order to give enrollees additional time to submit this plan.
7. The General Order and 22 June 2010 13267 Order issued to the Discharger by the Executive Officer directed the Discharger to submit an acceptable groundwater monitoring well installation and sampling plan (MWISP) to the Central Valley Water Board by 30 September 2010.
8. The Discharger violated CWC section 13267 by failing to submit the 2008 Annual Report required by the General Order and MRP by the required deadline of 1 July 2009.
9. The Discharger violated CWC section 13267 by failing to submit the 2009 Annual Report and Waste Management Plan required by the General Order and MRP by the required deadline of 1 July 2010.
10. The Discharger violated CWC section 13267 by failing to submit the MWISP required by the General Order and 22 June 2010 13267 Order by the required deadline of 20 September 2010.
11. The Central Valley Water Board staff issued Notices of Violation for the 2008 Annual Report on 27 July 2009 and for the 2009 Annual Report and Waste Management Plan on 2 September 2010 for the delinquent reports stating they had not been received and requested that they be submitting as soon as possible.
12. On 5 May 2011, the Executive Officer issued Administrative Civil Liability Complaint (Complaint) No. R5-2011-0543 to the Discharger recommending that the Central Valley Water Board assess the Discharger an administrative civil liability in the amount of \$23,700 pursuant to CWC section 13268 for the failure to submit the 2008 Annual Report, the 2009 Annual Report, the Waste Management Plan, and the MWISP.
13. A Hearing Panel composed of three members of the Central Valley Water Board held a hearing on this matter in Rancho Cordova on 20 July 2011. The Hearing Panel recommended that civil liability should be imposed upon the Discharger in the amount of \$23,700.

14. Upon considering the Hearing Panel's report and making an independent review of the record, the Central Valley Water Board during its meeting on 13 October 2011 adopted the findings of the Hearing Panel's report as its own and upheld the imposition of the Hearing Panel's proposed administrative civil liability on the Discharger. Therefore, the Central Valley Water Board has determined that civil liability should be imposed upon the Discharger in the amount of \$23,700.
15. Issuance of this Administrative Civil Liability Order to enforce CWC Division 7, Chapter 5.5 is exempt from the provisions of the California Environmental Quality Act (Pub. Resources Code § 21000 et seq.), in accordance with California Code of Regulations, title 14, section 15321(a)(2).
16. This Order is effective and final upon issuance by the Central Valley Water Board. Payment must be received by the Central Valley Water Board no later than thirty (30) days from the date on which this Order is issued.
17. In the event that the Discharger fails to comply with the requirements of this Order, the Executive Officer or her delegee is authorized to refer this matter to the Attorney General's Office for enforcement.
18. Any person aggrieved by this action of the Central Valley Water Board may petition the State Water Board to review the action in accordance with CWC section 13320 and California Code of Regulations, title 23, sections 2050 and following. The State Water Board must receive the petition by 5:00 p.m., 30 days after the date that this Order becomes final, except that if the thirtieth day following the date that this Order becomes final falls on a Saturday, Sunday, or state holiday, the petition must be received by the State Water Board by 5:00 p.m. on the next business day.
