We are in receipt of your Notice of Intent (NOI) dated 26 April 2020, which stated that you intend to comply with the Tier 1 conditions of the Waiver. By **February 1 of each year**, the Annual Monitoring Report must be submitted to our office, even if there is no discharge during the reporting year. The 2020 Annual Monitoring Report is due by **1 February 2021**.

Discharge of wastes not described in the Conditions of Discharge (Attachment A) of the Waiver is prohibited.
