

LATE REVISIONS – 7/8 DECEMBER 2006

Item 10 Valley Waste Disposal Company and Cawelo Water District, Kern Front No. 2 Treatment Plant, Kern County
NPDES Permit Renewal

NPDES Order

Page 2 Make the following changes to Finding 12:

...Surface water blended into Reservoir B consists of Kern River, **State Water Project, and Central Valley Project** waters delivered from the Beardsley Canal through Lerdo Pumping Station B.

...Through use of its Distribution Canal, CWD discharges reclaimed **blended** water to Poso Creek, a water of the United States, for recharge of the groundwater basin...

Page 5 Make the following changes to Finding 15:

...The CWD and the downstream water districts (North Kern Water Storage District or NKWSD **and Semitropic Water Storage District or SWSD**) filed competing applications for rights to waters in Poso Creek. CWD, by subsequent agreement **with NKWSD and SWSD**, has right to approximately the first 135 cfs **as measured at State Highway 65.** ~~and the NKWSD has right to the remainder.~~ **Flows greater than 135 cfs at State Highway 65 are allocated to NKSWD and SWSD until said flow exceeds 685 cfs, after which the flow is allocated to CWD, NKWSD, and SWSD relative to remaining demands.** The right approximates the flow that matches...

Page 11 Make the following change to sixth sentence of Finding 47:

...Further, prior to the Regional Water Board's reconsideration...

Page 19 Make the following change to Provision F.7:

The Discharger shall comply with the following time schedule to assure compliance with monitoring and reporting requirements of Monitoring and Reporting Program No. _____:

| <u>Task No.</u> | <u>Description</u> | <u>Compliance Date</u> |
|-----------------|--|--|
| a. | Submit work plan and time schedule For installation of continuous flow and EC meters at Discharge 001 required by this Order. | By 30 days following adoption of this Order. |

Page 21 Make the following change to Provision F.9.e:

- e. Demonstrate that the overall management of the system will result in **compliance** ~~or can be determined by the Regional Water Board consideration of the study results to comply~~ with the Basin Plan, Resolution 68-16, and CEQA.

Information Sheet

Page 4 Make the following changes to the second sentence of the second paragraph:

...Surface water blended into Reservoir B consists of Kern River, **State Water Project, and Central Valley Project** waters delivered from the Beardsley Canal through Lerdo Pump Station B.

Page 4 Delete the last sentence of the fourth paragraph:

~~...In certain places downstream of the CWD, Poso Creek has been filled and leveled to facilitate farming operations.~~
