Re: Waste Discharge Requirements for the City of Davis Wastewater Treatment Facility, Yolo County (Order No. R5 2007 XXXX, NPDES No. CA0079049)

Dear Ms. Messina:

For the reasons stated in the comments submitted by the City of Davis, the City of Yuba City concurs that a "Dioxin and Congeners" effluent limit is inappropriate in this permit. Any effluent limit for "Dioxin and Congeners" should be removed from the permit.

If you need to contact me, I can be reached at (530) 822-4639. Thank you for this opportunity to comment.

Sincerely,

William P. Lewis  
Utilities Director
