RE: Oppose the Proposed Discharge Permit

Dear Members of the Board,

I own and manage affordable rental property in the Sacramento Regional County Sanitation District. This letter is in opposition to the proposed discharge permit proposal to be considered in December.

Our properties serve only low income and very low income residents. It is unimaginable how to absorb our share of a \$2 billion increase.

There are strong disagreements by experts on this issue. Please vote against this proposed rate increase until further cost and benefits analysis.

Thank you.
