RE: Oppose the Proposed Discharge Permit

Dear Members of the Board,

We own and manage a 274 unit rental property in the Sacramento Regional County Sanitation District service region. Our residents are primarily retired and senior citizens.

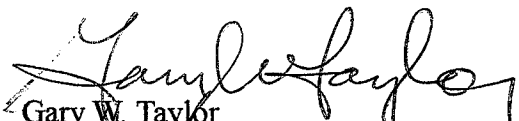

In this economic recession we have had to lower rents, provide discounts to encourage rentals and reduce all costs as much as possible and still are dealing with high vacancies.

There is no way we or our residents could absorb a \$30.00 to \$40.00 dollar increase per month as proposed.

Based on the information available, we are not even certain the proposed increase is even justified.

As result **"WE ARE OPPOSED"** to the proposed discharge permit proposal that will be considered by your Board in December.

Sincerely,

Gary W. Taylor
General Partner and Property Manager
