Mr. Clay L. Rodgers,

Basta que otros grupos de afuera representen a nuestra comunidad y usen nuestra comunidad para sus beneficios. Nosotros como residentes hemos colectado firmas de residentes que apoyan a Waste Management. Estas firmas no fueron colectadas por grupos pagados que vienen de afuera.

Enough of outside groups representing our community and using our community for their own benefits. We as residents have collected signatures from residents that support Waste Management. These signatures have not been collected by paid groups who come from outside
