I, Dean C. Miller, declare as follows:

1. I am an attorney at Davis Graham & Stubbs LLP. I have worked in this position since April 1997. I regularly work as outside counsel for BP and its affiliated companies on litigation matters. My responsibilities often require me to oversee the assembly of collections of documents related to historical operations by entities in which BP's current or former affiliates held investments.
2. I represented Atlantic Richfield during the period in which the U.S. Forest Service asserted claims against Atlantic Richfield concerning the Walker Mine Tailings Site.
3. During that time the U.S. Forest Service provided documents to Atlantic Richfield with the Bates prefix "US".
4. These documents have been maintained at Davis Graham & Stubbs LLP in a manner consistent with its standard document retention policies.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed this 20th day of February, 2014 at Denver, Colorado.
