RE: Reconsideration of Cleanup and Abatement Order R5-2013-0701

Mr. Atkinson:

The City of Oakley encourages the Board to require the two Responsible Parties to clean up the mercury mine site at Mt. Diablo, that is the subject of Cleanup and Abatement Order R5-2013-0701.

Thank you for providing the City of Oakley the opportunity to review and comment regarding this matter. We hope that our comment will be helpful as the Board considers this Cleanup and Abatement Order.

If you have any further questions, you may contact me at (925) 625-7007, or by email at montgomery@ci.oakley.ca.us.

Respectfully submitted,

Bryan H. Montgomery
City Manager
