Re: Valley Water Management Company (VWMC); proposed CDO hearing location

Dear Mr. Pulupa and Ms. Creedon:

It has come to my attention that the Regional Water Quality Control Board for the Central Valley Region is proposing to issue a Cease and Desist Order (CDO) to Valley Water Management Company (VWMC).

Considering the nature of the CDO, I respectfully request that its' hearing occur in Kern County. This would ensure the opportunity for my constituents to participate in this process and holding the CDO hearing in the district will allow them to do so.

Again, I want to stress the importance of the venue allowing residents to attend the proposed CDO hearing.

I appreciate your consideration of my request.

Sincerely,
