

LATE REVISIONS
CITY OF STOCKTON
REGIONAL WASTEWATER CONTROL FACILITY
SAN JOAQUIN COUNTY
NPDES Permit Amendment
Order R5-2014-0070-02 (NPDES No. CA0079138)
Regional Water Quality Control Board, Central Valley Region
Board Meeting – 7/8 June 2017
ITEM #21c

A Notice of Public Hearing was sent to the City of Stockton (Discharger) and interested parties on 26 April 2017 for a 30-day public comment period, with comments due by 26 May 2017. Timely comments were received by the Discharger on 19 May 2017 in support of the proposed permit amendment. The Discharger’s comment letter also requested a typographical error correction and a minor clarification that the requirement to report San Joaquin River flow direction can be based on visual observation. Central Valley Water Board staff concurs with the changes and a late revision is proposed to make the changes to the amending order as shown in redline format below.

1) HEREBY ORDERED ITEM 1.c – correct typographical error as shown in redline format below:

- c. Attachment E, Monitoring and Reporting Requirements.** Remove monitoring location RSW-001A in Table E-1, Monitoring Station Locations, as shown in strikeout format below:

Table E-1. ~~Effluent Limitations~~ Monitoring Station Locations

Discharge Point Name	Monitoring Location Name	Monitoring Location Description
--	RSW-001A	San Joaquin River, flow monitoring station located approximately 500 feet south of the Facility’s outfall

2) HEREBY ORDERED ITEM 1.e – provide clarifying language as shown in redline format below:

- e. Attachment E, Monitoring and Reporting Requirements.** Modify Section VII.B as shown in underline/strikeout format below:

B. Visual Observations RSW-002, RSW-002A, and RSW-003

1. In conducting the weekly receiving water sampling the Discharger shall report the direction of receiving water flow, based on visual observation, at the time of sampling, and a log shall be kept of the receiving water conditions throughout the reach bounded by RSW-002, RSW-002A, and RSW-003. A description, including at the minimum, the presence or absence of the following shall be recorded and summarized in the monthly self-monitoring reports.
