Tim Hutcheson, Regional Director
Leprino Foods Company
1830 West 38th Avenue
Denver, CO 80211

NOTICE
TENTATIVE WASTE DISCHARGE REQUIREMENTS
FOR
CITY OF LEMOORE WASTEWATER TREATMENT FACILITY
AND LEPRINO FOODS COMPANY
RIVER RANCH RECYCLED WATER PROJECT
KINGS COUNTY

TO ALL CONCERNED PERSONS AND AGENCIES

Enclosed are Tentative Waste Discharge Requirements (TWDRs) with a revised Monitoring and Reporting Program (MRP) for the City of Lemoore Wastewater Treatment Facility and Leprino Foods Company's River Ranch Recycled Water Project (Project). The Central Valley Regional Water Quality Control Board (or Central Valley Water Board) will consider adopting the TWDRs at its 15/16 February 2024 Board Meeting. Any written comments or evidence you may have concerning these items must be submitted to this office by **5:00 pm on 15 December 2023**. Absent a showing of good cause and lack of prejudice to other parties, the Board Chair may exclude comments and evidence received after this deadline.

To conserve paper and reduce mailing costs, a paper copy of these items has been sent only to the Dischargers. Others are advised that copies of the TWDRs and revised MRP will be available within the next couple of days on the Central Valley Water Board's [Tentative Orders website](https://www.waterboards.ca.gov/centralvalley/board_decisions/tentative_orders/) under the heading, "Discharger-Specific Order for Future Board Meetings" (https://www.waterboards.ca.gov/centralvalley/board_decisions/tentative_orders/).

The Central Valley Water Board meeting where the above matter will be considered is scheduled for the following time and location:

MARK BRADFORD, CHAIR | PATRICK PULUPA, ESQ., EXECUTIVE OFFICER

Date: 15/16 February 2024
Time: To Be Determined
Place: Central Valley Regional Water Quality Control Board
11020 Sun Center Drive, Suite 200
Rancho Cordova, CA 95670

The public meeting is currently scheduled to take place in person and via video teleconference, but the format may change. Any person wishing to obtain information about changes to the date, time, location, or format of the meeting should visit the [Board's website](https://www.waterboards.ca.gov/centralvalley/board_info/meetings) (https://www.waterboards.ca.gov/centralvalley/board_info/meetings).

The final meeting agenda will be available on the Board's website at least 10 days before the meeting. The agenda will provide the location and format of the meeting, the anticipated date the hearing will be held for these items, and the anticipated order of all agenda items; however, the Board may consider agenda items out of their listed order. The agenda materials may also include staff revisions to the tentative items.

Persons wishing to make non-evidentiary policy statements at the Board Meeting (such statements will generally be limited to 3 minutes) are not required to submit written comments, but the Board appreciates receiving such comments in writing by the due date listed above so that they may be included in the packages that the Board members will receive ahead of the meeting.

Please email any comments on the TWDRs to centralvalleyfresno@waterboards.ca.gov and copy Katie.Carpenter@waterboards.ca.gov. In the subject line of the email please include "**Lemoore/Leprino River Ranch, Tentative WDRs Comments**" and address the email to Katie Carpenter.

If you have any questions regarding the TWDRs or if you do not have internet access and wish to request a paper copy, please contact Katie Carpenter at (559) 445-5551 or by email at Katie.Carpenter@waterboards.ca.gov.

Original Signed by:
Alexander S. Mushegan
Supervising Water Resource Control Engineer

Enclosures: Tentative WDRs and MRP (Dischargers only)
Standard Provisions and Reporting Requirements (SPRRs), dated
1 March 1991 (Dischargers only)
