Parties to the Proceeding and Interested Persons

Participants in the hearing will be considered “parties” or “interested persons.”

Interested Persons are those individuals and organizations that are interested in the outcome of the hearing who have not been designated as a party. Interested persons are generally allowed up to three minutes each to provide oral comments during the Board meeting. Interested persons may request that the Board Chair authorize a longer time period for their comments.

Both Parties and Interested Persons may be asked to respond to questions from the Board or its staff.

Proposed Order

If adopted, Amending Waste Discharge Requirements (WDRs) Order R5-202X-XXXX will amend existing WDRs Order R5-2018-0070-001 for management of waste discharged from the City of Patterson Water Quality Control Facility (Facility) located at 14901 Poplar Avenue Patterson, CA 95363. The City of Patterson Water Quality Control Facility is owned and operated by the City of Patterson (Discharger). The Discharger will be responsible for maintaining compliance with Order requirements. The Facility collects and treats domestic wastewater from the City of Patterson to secondary standards and disposes of treated wastewater in evaporation/percolation ponds. The Facility's waste discharges are currently regulated under WDRs Order R5-2018-0070-001, which allows for a flow increase of 1.25 million gallons per day, following an expansion of the treatment system. The amended WDRs will update the described location of the treatment expansion and revise the type of secondary treatment to be installed to a membrane bioreactor, with no change to the total increased capacity. If adopted, the proposed amended WDRs Order will update the previous Order with Order R5-2018-0070-002.

To conserve paper and reduce mailing costs, a paper copy of the proposed Order was sent only to the Discharger(s). All others may access a digital copy of the Order on the Central Valley Water Board's [Tentative Orders website](#), under the heading, "Discharger-Specific Order for Future Board Meetings," at

(https://www.waterboards.ca.gov/centralvalley/board_decisions/tentative_orders/).

Copies of the proposed Order and associated documents may also be obtained by visiting the office of the Central Valley Water Board at 11020 Sun Center Drive, #200, Rancho Cordova, California, 95670-6114 or by contacting the Board by phone at (916) 464-3291, weekdays between 8:00 a.m. and 5:00 p.m. Questions concerning the proposed Order or anything in this Notice should be directed to Madeline Kelsch at (916)464-4714 or madeline.kelsch@waterboards.ca.gov.

Other Information

Any person or organization may request to be recognized as a party to the proceeding by submitting a written statement describing why they would like to be considered a party, their interest in presenting evidence rather than policy statements or legal arguments, and an acknowledgement that those testifying may be subject to cross examination consistent with applicable regulations. Such requests must be submitted to Madeline Kelsch no later than 5:00 p.m. on 14 October 2026.
