CENTRAL VALLEY REGION

ORDER R5-2020-XXXX

RESCINDING CEASE AND DESIST ORDERS R5-2015-0128, R5-2015-0128-01
AND
R5-2015-0128-02

The California Regional Water Quality Control Board, Central Valley Region (hereinafter Central Valley Water Board), finds that Cease and Desist Orders R5-2015-0128, R5-2015-0128-01, and R5-2015-0128-02 are no longer applicable for the reasons below:

- Treated wastewater from the Collins Pine Company (Discharger) Chester Sawmill (Facility) is regulated pursuant to Waste Discharge Requirements (WDRs) Order R5-2020-0008 (National Pollutant Discharge Elimination System Permit No. CA0004391) adopted by the Central Valley Water Board on 4 June 2020 and Cease and Desist Order (CDO) R5-2015-0128, adopted by the Central Valley Water Board on 11 December 2015, amended on 6 December 2016 to become CDO R5-2015-0128-01, and amended again on 8 December 2017 to become CDO R5-2015-0128-02.
- The Discharger has modified processes at the Facility and no longer discharges process wastewater. Previously, the Facility used a wet electrostatic precipitator (ESP) to control air pollution. In July 2019, the wet ESP was replaced by a dry ESP reducing the Facility's process wastewater discharge from approximately 200-400 gallons per minute (gpm) to 20-30 gpm. The remaining 20-30 gpm of process wastewater is now contained on-site in a lined pond for reuse.
- The Discharger completed all requirements for CDO R5-2015-0128-02 and preceding CDOs R5-2015-0128-01 and R5-2015-0128. Therefore, CDOs R5-2015-0128, R5-2015-0128-01, and CDO R5-2015-0128-02 are no longer applicable.

IT IS HEREBY ORDERED that Cease and Desist Orders R5-2015-0128, R5-2015-0128-01, and R5-2015-0128-02 are rescinded.

I, PATRICK PULUPA, Executive Officer, do hereby certify the foregoing is a full, true, and correct copy of an Order adopted by the California Regional Water Quality Control Board, Central Valley Region on XX October 2020.
