

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
CENTRAL VALLEY REGION

ADMINISTRATIVE CIVIL LIABILITY COMPLAINT R5-2017-0500

MANDATORY PENALTY
IN THE MATTER OF

CITY OF CORNING
CORNING WASTEWATER TREATMENT PLANT
TEHAMA COUNTY

WDID NO. 5A520100001

This Administrative Civil Liability Complaint (Complaint) is issued to the City of Corning (Discharger), Corning Wastewater Treatment Plant (Facility) pursuant to California Water Code (Water Code) section 13385, which authorizes the imposition of Administrative Civil Liability, and CWC section 13323, which authorizes the Assistant Executive Officer to issue this Complaint. This Complaint is based on findings that the Discharger violated provisions of Waste Discharge Requirements (WDRs) Order R5-2010-0080 (NPDES No. CA0004995).

The Assistant Executive Officer of the California Regional Water Quality Control Board, Central Valley Region (Central Valley Water Board) finds the following:

1. The Discharger owns the Corning Wastewater Treatment Plant. Facility operations are contracted to Severn Trent Services. Treated wastewater is discharged from Discharge Point D-001 to the Sacramento River, a water of the United States.
2. On 29 July 2010, the Central Valley Water Board issued WDRs Order R5-2010-0080, which contained new requirements and rescinded WDRs Order R5-2004-0153, except for enforcement purposes. WDRs Order R5-2010-0080 was effective on 29 July 2010.
3. This Complaint addresses administrative civil liability for an effluent violation that occurred from Discharge Point D-001 on 31 October 2015. This violation is specifically identified in Attachment A to this Complaint as subject to mandatory minimum penalties. Attachment A to this Complaint is attached hereto and incorporated herein by this reference.
4. On 12 February 2016 Central Valley Water Board staff issued the Discharger a Notice of Violation and draft Record of Violations for an effluent limitation violation that occurred on 31 October 2015.
5. Water Code sections 13385(h) and (i) require the assessment of mandatory penalties and state, in part, the following:

Water Code section 13385(h)(1) states:

Notwithstanding any other provision of this division, and except as provided in subdivisions (j), (k), and (l), a mandatory minimum penalty of three thousand dollars (\$3,000) shall be assessed for each serious violation.

Water Code section 13385 (h)(2) states,

For the purposes of this section, a 'serious violation' means any waste discharge that violates the effluent limitations contained in the applicable waste discharge requirements for a Group II pollutant, as specified in Appendix A to Section 123.45 of Title 40 of the Code of Federal Regulations, by 20 percent or more or for a Group I pollutant, as specified in Appendix A to Section 123.45 of Title 40 of the Code of Federal Regulations, by 40 percent or more.

Water Code section 13385(j)(1) states

Notwithstanding any other provisions of this division, and except as provided in subdivisions (j), (k), and (l), a mandatory minimum penalty of three thousand dollars (\$3,000) shall be assessed for each violation whenever the person does any of the following four or more times in any period of six consecutive months, except that the requirements to assess the mandatory minimum penalty shall not be applicable to the first three violations.

- a) violates a waste discharge requirement effluent limitation;
- b) fails to file a report pursuant to California Water Code section 13260;
- c) files an incomplete report pursuant to California Water Code section 13260; or
- d) violates a toxicity effluent limitation contained in the applicable waste discharge pollutant-specific effluent limitations for toxic pollutants.

6. Water Code section 13323 states, in part:

Any executive officer of a regional board may issue a complaint to any person on whom administrative civil liability may be imposed pursuant to this article. The complaint shall allege the act or failure to act that constitutes a violation of law, the provision authorizing civil liability to be imposed pursuant to this article, and the proposed civil liability.

7. WDR Order No. R5-2010-0080 Final Effluent Limitations IV.A.1.a. states the Discharger shall maintain compliance with the effluent limitations specified in Table 6:

Table 6. Effluent Limitations

Parameter	Units	Effluent Limitations				
		Average Monthly	Average Weekly	Maximum Daily	Instantaneous Minimum	Instantaneous Maximum
Dichlorobromomethane	µg/L	3.86	--	7.73	--	--

8. According to the Discharger's self-monitoring reports, the Discharger committed one (1) serious Group II violation of the above effluent limitations contained in WDR Order R5-2010-0080, as shown in Attachment A. This violation is defined as serious because the measured concentration of the Group II constituent exceeded maximum prescribed levels

in the WDRs by 20 percent or more. Per 13385(h), the mandatory penalty for this type of serious violation is three thousand (\$3,000) per violation.

9. The total amount of the mandatory penalties assessed for the alleged effluent violation is **three thousand dollars (\$3,000)**. As stated herein, a detailed list of the alleged effluent violations is included in Attachment A. The Complaint addresses administrative civil liability for the violation that is specifically identified in Attachment A as subject to mandatory minimum penalties.
10. Issuance of this Administrative Civil Liability Complaint to enforce Water Code Division 7, Chapter 5.5 is exempt from provisions of the California Environmental Quality Act (Pub. Resources Code section 21000 et seq.), in accordance with California Code of Regulations, title 14, section 15321 subsection (a)(2).

THE CITY OF CORNING IS HEREBY GIVEN NOTICE THAT:

1. The Assistant Executive Officer of the Central Valley Water Board proposes that the Discharger be assessed an Administrative Civil Liability in the amount of **three thousand dollars (\$3,000)**.
2. A hearing on this matter will be conducted at the Central Valley Water Board meeting scheduled on **6/7 April 2017**, unless either of the following occurs by **3 February 2017**:
 - a) The Discharger waives the hearing by completing the attached form (checking off the box next to Option #1) and returning it to the Central Valley Water Board, along with payment for the proposed civil liability of **three thousand dollars (\$3,000)**; or
 - b) The Central Valley Water Board agrees to postpone the hearing after the Discharger waives its right to a hearing within 90-days of the date of this complaint and requests to engage in settlement discussions by checking off the box next to Option #2 on the attached form, and returns it to the Board along with a letter describing the issues to be discussed; or
 - c) The Central Valley Water Board agrees to postpone the hearing after the Discharger waives its right to a hearing within 90-days of the date of this Complaint and requests a continuance checking off the box next to Option #3 on the attached form, and returns it to the Board along with a letter describing the issues to be discussed.
3. If a hearing on this matter is conducted, the Central Valley Water Board will consider whether to affirm, reject, or modify the proposed Administrative Civil Liability, or whether to refer the matter to the Attorney General for recovery of judicial civil liability.

COMPLAINT NO. R5-2017-0500
ADMINISTRATIVE CIVIL LIABILITY COMPLAINT

Attachment A: Record of Violations

**WAIVER FORM
FOR ADMINISTRATIVE CIVIL LIABILITY COMPLAINT**

By signing this waiver, I affirm and acknowledge the following:

I am duly authorized to represent the City of Corning (Discharger) in connection with Administrative Civil Liability Complaint **R5-2017-0500** (Complaint). I am informed that California Water Code section 13323, subdivision (b), states that, "a hearing before the regional board shall be conducted within 90 days after the party has been served. The person who has been issued a complaint may waive the right to a hearing."

(OPTION 1: Check here if the Discharger waives the hearing requirement and will pay in full.)

- a. I hereby waive any right the Discharger may have to a hearing before the Central Valley Water Board.
- b. I certify that the Discharger will remit payment for the proposed civil liability in the full amount of **three thousand dollars (\$3,000)** by check that references "ACL Complaint **R5-2017-0500**" made payable to the *State Water Pollution Cleanup and Abatement Account*. The check shall be sent to, "State Water Resources Control Board, Division of Administrative Services, ATTN: ACL Payment, P.O. Box 1888, Sacramento, California 95812-1888. Payment must be received by **3 February 2017**."
- c. I understand the payment of the above amount constitutes a proposed settlement of the Complaint, and that any settlement will not become final until after a 30-day public notice and comment period. Should the Central Valley Water Board receive significant new information or comments during this comment period, the Central Valley Water Board's Executive Officer may withdraw the complaint, return payment, and issue a new complaint. I also understand that approval of the settlement will result in the Discharger having waived the right to contest the allegations in the Complaint and the imposition of civil liability.
- d. I understand that payment of the above amount is not a substitute for compliance with applicable laws and that continuing violations of the type alleged in the Complaint may subject the Discharger to further enforcement, including additional civil liability.

(OPTION 2: Check here if the Discharger waives the 90-day hearing requirement in order to engage in settlement discussions.) I hereby waive any right the Discharger may have to a hearing before the Central Valley Water Board within 90 days after service of the complaint, but I reserve the ability to request a hearing in the future. I certify that the Discharger will promptly engage the Central Valley Water Board Prosecution Team in settlement discussions to attempt to resolve the outstanding violation(s). By checking this box, the Discharger requests that the Central Valley Water Board delay the hearing so that the Discharger and the Prosecution Team can discuss settlement. It remains within the discretion of the Central Valley Water Board to agree to delay the hearing. Any proposed settlement is subject to the conditions described above under "Option 1."

(OPTION 3: Check here if the Discharger waives the 90-day hearing requirement in order to extend the hearing date and/or hearing deadlines. Attach a separate sheet with the amount of additional time requested and the rationale.) I hereby waive any right the Discharger may have to a hearing before the Central Valley Water Board within 90 days after service of the complaint. By checking this box, the Discharger requests that the Central Valley Water Board delay the hearing and/or hearing deadlines so that the Discharger may have additional time to prepare for the hearing. It remains within the discretion of the Central Valley Water Board to approve the extension.

CALCULATION OF MANDATORY MINIMUM PENALTIES**

**RECORD OF VIOLATION FOR MANDATORY PENALTIES
(Data reported under Monitoring and Reporting Program R5-2010-0080)**

Violation Date	Discharge Point	Pollutant/ Parameter	Units	Effluent Limitation	Analytical/ Calculated Result	Percentage Over	Period	Violation Type	CIWQS Violation ID	MMP Amount
10/31/2015	D-001	Dichlorobromomethane	µg/L	3.86	6.87	178%	AMEL	Serious Group II	999569	\$3,000
TOTAL:										\$3,000

Notes: Serious Group I: any waste discharge that exceeds the effluent limitations for a group I pollutant by 40% or more.
 Serious Group II: any waste discharge that exceeds the effluent limitations for a group II pollutant by 20% or more.
 Non-Serious Violation: A non-serious violation will be subject to MMPs if the discharger does any one of the following four or more times in any period of 180 days:
 (a) violates a WDR effluent limitation;
 (b) fails to file a report of waste discharge pursuant to California Water Code section 13260;
 (c) files an incomplete report of waste discharge pursuant to California Water Code section 13260; or
 (d) violates a whole effluent toxicity limitation where the WDRs do not contain pollutant-specific effluent limitations for any toxic pollutants.
 Final MDEL: Final maximum daily effluent limitation
 Final AMEL: Final average monthly effluent limitation
