Proposed Order

If adopted, the proposed Order will recognize a change of ownership of the grape juice concentrate facility (Facility) at 31754 Avenue 9 in Madera. The Facility is regulated by Waste Discharge Requirements (WDRs) Order 94-193, which authorizes the discharge of up to 57 million gallons of concentrate processing wastewater to a land application area. The proposed Order will also recognize the change in the operator and the name

of the Facility. The Facility was originally owned and operated by Consolidated Industries, Inc. and Consolidated Land Company and was designated as the Fruit Concentrate Plant. In March 2004, the Central Valley Water Board adopted Order No. R5-2004-0032, which recognized a transfer of owner/operatorship to E & J Gallo Winery. The Facility is now owned and operated by Kahraman USA, Inc. (Discharger), and will be known as the Kahraman Madera Facility. The Discharger will be responsible for maintaining compliance with the requirements of existing WDRs Order 94-193.

To conserve paper and reduce mailing costs, a paper copy of the proposed Order was sent only to the Discharger(s). All others may access a digital copy of the Order on the Central Valley Water Board's [Tentative Orders website](#), under the heading, "Discharger-Specific Order for Future Board Meetings," at:

https://www.waterboards.ca.gov/centralvalley/board_decisions/tentative_orders/.

Copies of the proposed Order and associated documents may also be obtained by visiting the office of the Central Valley Water Board at 1685 E Street, Fresno, California 93706 or by contacting the Board by phone at (559) 445-5116, weekdays between 8:00 a.m. and 5:00 p.m. Questions concerning the proposed Order or anything in this Notice should be directed to Salvador Vargas-Maravilla at (559) 444-2488 or Salvador.Vargas@waterboards.ca.gov.
