Hi Eric,

Konark Ranches filed an application on March 12, 2015 and were provided with a Temp ID number and instructions to complete the next step and file the NOI with the RB. However, after many attempts to get them to complete the process and submit the NOI Form and payment to the Regional Board, they did not. Patrick confirmed they had not completed the process so I disapproved the application and providing them notification and returned payment on November 24, 2015. They are NOT a member of KRWCA. The APN you asked about was not part of the original application and is not enrolled in KRWCA.

Let me know if I can be of further assistance.

Nicole,

I believe we have spoken about this previously, but can you confirm whether or not Konark Ranches is a current member of the KRWCA? I'm specifically looking at APN 047-290-13.
