

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
CENTRAL VALLEY REGION

ORDER R5-2021-XXXX

RESCINDING WASTE DISCHARGE REQUIREMENTS

The California Regional Water Quality Control Board, Central Valley Region (Central Valley Water Board), finds that the Board adopted the following Order, which is no longer applicable for the reasons shown:

**A) COUNTY OF FRESNO DEPARTMENT OF PUBLIC WORKS AND PLANNING,
MONTE VERDI ESTATES (CSA 44D) WASTEWATER TREATMENT
FACILITY, WASTE DISCHARGE REQUIREMENTS ORDER NO. 92-203,
FRESNO COUNTY**

Waste Discharge Requirements Order 92-203, adopted on 25 September 1992, prescribes requirements for the discharge from the County of Fresno Department of Public Works and Planning (Fresno County Public Works), Monte Verdi Estates (County Service Area [CSA] 44D) Wastewater Treatment Facility (Facility). On 6 February 2020, Fresno County Public Works submitted a Form 200 and Report of Waste Discharge (RWD) for coverage under State Water Resources Control Board Order 2014-0153-DWQ, *General Waste Discharge Requirements for Small Domestic Wastewater Treatment Systems* (General Order) for the Facility. Additional information needed for enrollment of the Facility under the General Order was provided in subsequent materials up to 16 March 2021.

On 14 April 2021 a Notice of Applicability (NOA) was issued for the Facility (enrollee number 2014-0153-DWQ-R5344) for the General Order. The NOA establishes a flow limitation of 39,000 gallons per day (monthly average) for the Facility's disinfected tertiary treatment system. The Facility discharges to either landscape areas within CSA 44D or to an existing leachfield (up to 32,500 gallons per day [monthly average]). Therefore, it is appropriate to rescind Waste Discharge Requirements Order 92-203.

IT IS HEREBY ORDERED that the above Order is rescinded.

I, PATRICK PULUPA, Executive Officer, do hereby certify the foregoing is a full, true, and correct copy of an Order adopted by the California Regional Water Quality Control Board, Central Valley Region on ___ June 2021.

TENTATIVE

PATRICK PULUPA, Executive Officer
