NOTICE OF PUBLIC HEARING

Concerning

**RESCISSION OF WASTE DISCHARGE REQUIREMENTS
ORDER R5-2011-0090 (NPDES PERMIT NO. CA0082066) AND CEASE
AND DESIST ORDER R5-2004-0101
SIERRA PACIFIC INDUSTRIES
ANDERSON DIVISION SAWMILL
SHASTA COUNTY**

Sierra Pacific Industries, Inc. (hereinafter Discharger) operates the Anderson Division Sawmill (hereinafter Facility) located in Shasta County. The Facility is regulated pursuant to Waste Discharge Requirements (WDR) Order R5-2011-0090 (NPDES Permit No. CA0082066), adopted by the Central Valley Regional Water Quality Control Board (Central Valley Water Board) on 1 December 2011, and Cease and Desist Order (CDO) R5-2004-0101, adopted by the Central Valley Water Board on 9 July 2004.

The Discharger has completed Facility modifications to eliminate discharge to the Sacramento River. Specifically, the Discharger has modified its onsite wastewater management in an effort to eliminate the need to discharge industrial storm water to the river for up to 100-year annual precipitation. Pump stations and piping were added, and drainage was modified to enable the industrial storm water from the southern portion of the Facility to be directed into storage ponds rather than discharged to the Sacramento River. Because discharge to surface water has been eliminated, and WDRs Order R5-2018-0029 was adopted by the Central Valley Water board on 6 April 2018 to permit the Facility's waste discharge to land, it is appropriate to rescind WDRs Order R5-2011-0090 and CDO R5-2004-0101.

Therefore, the Central Valley Water Board will consider rescinding WDRs Order R5-2011-0090 and CDO R5-2004-0101. A public hearing to address this matter will be held during the Central Valley Water Board meeting which is scheduled for:
