Please contact Board staff if you do not know whether there is a Notice or Hearing Procedure for a specific item.

The statutes and regulations that govern the Central Valley Water Board's meetings can be found at http://www.waterboards.ca.gov/laws_regulations/

All persons may speak at a Central Valley Water Board meeting, and are expected to orally summarize their written submittals. Oral presentations will be limited in time by the Board Chair, and a timer may be used. Where speakers can be grouped by affiliation or interest, such groups are expected to select a spokesperson and to not be repetitive. The Board will accommodate spokespersons by granting additional time if other group members will not also be speaking.

Written materials that are received after deadlines set by item-specific Notices and/or Hearing Procedures will not generally be admitted. Any person requesting to submit late materials must demonstrate good cause, and the Chair must find that the admission of the late materials would not prejudice the Central Valley Water Board or any designated party. The Chair may modify this rule to avoid severe hardship.
