

BOARD COMMUNICATION

Sandra Meraz submitted her communication via written submittal:

- 1 March, attended a meeting in Seville, California, Tulare County, hosted by AGUA and the Community Water Center. This meeting allowed disadvantaged communities to provide testimony to the visiting United Nations Independent expert on the issue of human rights to safe drinking water
- 2, 3 March, attended the Water Policy Conference in Los Angeles

Dr. Longley said that he attended the Multi Salinity conference in San Antonio Texas and also attended a workshop in Livingston, and submitted the following communication via written submittal:

- 7 February, participated in the CV Salts meeting via teleconference
- 11 February, attended Fresno County Chamber of Commerce, E.A.R.T.H. Committee, Water Panel meeting and later had a Central Valley Nitrate problem discussion with Laurel Firestone, Elanor Stamer, Pamela Creedon and Clay Rodgers
- 16-17 February, attended the Multi-Salinity conference in San Antonio, Texas
- 25 February, attended the Rural Development Center workshop in Livingston, California
- 1 March, was part of a panel representing CSU Fresno on Delta issue. This workshop was sponsored by the University of the Pacific
- 3-4 March attended the California Water Policy conference in Los Angeles
- 7 March, participated in the CV Salts meeting, via teleconference
- 10 March, met with Dave Orth (Kings River Conservation District), regarding CV Salts

Dan Odenweller said that he attended the combined agency Fisheries meeting last week and will submit the rest of his communication via email. Below is Mr. Odenweller's written submittal:

- 6 February, spoke to Don Parsons about his training needs, and my availability to assist.
- 7 February, spoke to Bill Jennings about the Delta fish number update and the Salmon recovery. Shared the same information with Paul Ward and Chuck Armor, for their use and contribution
- 8 February, had lunch with Bill Jennings to discuss the fish abundances in my latest summary
- 15 February, participated in the Stewardship Council Board retreat in Chico
- 16 February, attended the Stewardship Council meeting in Chico, had a fish screening program history meeting with new CDFG staffers in Sacramento, visited with Darryl Hayes, (Intake Screens Incorporated), in Freeport on my way home
- 17 February, attended the USSVI Sacramento bases first monthly breakfast meeting. Discussed the scope and the responsibilities of my position as a Board member, with several of the members
- 13 March, spoke to Andrew Jahns and agreed to share literature and a trip to the facilities
- 18 March, went on a field trip with Andrew Jahns to the Tracy Fish Collection facility
- 30 March, attended IEP Annual meeting at the Lake Natomas Inn, in Folsom. This was very well attended with several good presentations
- 31 March to 2 April, attended the Cal-Neva American Fisheries Society chapter, annual meeting at the Lake Natomas Inn in Folsom. There were a number of good papers on the Delta and its tributaries
- 3 April, spoke to Bill Jennings about the IEP and the Cal-Neva AFS meetings
- 4 April, spoke to Paul Ward about the work presented at the Cal-Neva AFS meeting in Folsom

Member Lyle Hoag said that he attended the Public Institute of California briefing and presentation of their new book, Water Management in California. He also attended the Water Education Foundation Executive Briefing. Both had much emphasis on Delta Issues/Groundwater Issues and water management institutional issues in California

Chair, Kate Hart reminded the Board that the WQCC meeting will be coming soon. She also said that she will submit her communication via written submittal.

PUBLIC FORUM

Jo Anne Kipps, representing California Sport Fishing Protection Alliance, requested that the Board improve regulation of food processing wastes.

Board Chair asked Ms. Kipps what exactly she wanted the Board to do. Ms. Kipps said that the WDR Orders should reflect the best practicable treatment and control.

EXECUTIVE OFFICER'S REPORT

The Chair moved this item to the next day

LONG TERM IRRIGATED LANDS REGULATORY PROGRAM: AGENDA ITEM 6

Consideration of a Resolution Certifying the Final Program Environmental Impact Report for Long-Term Irrigated Lands Regulatory Program

Before the start of the public hearing, Chair Hart asked the Board to provide disclosures on agenda items 6 through 8. Chair Hart said that she met with Bill Thomas on EIR.

Joe Karkoski began the presentation by providing context and background for the three long-term program agenda items. Adam Laputz and Megan Smith (ICF International) presented the program environmental impact report. Stakeholders and other interested persons gave additional testimony.

Motion to adopt the resolution
Made by Vice-Chair Dr. Longley
Seconded by Member, Hoag
Approved by a vote of 4-1-0¹

BOARD ADOPTED ORDER R5-2011-0017

The Board recessed at 11:45 p.m. to discuss closed session item, Garland vs. CVRWQCB. The meeting resumed at 12:56 p.m.

AGENDA ITEM 7

Consideration of a Resolution Adopting a Framework for a Long-Term Irrigated Lands Regulatory Program

Dr. Longley disclosed meeting with Laurel Firestone and Chair Hart said that she met with Bill Thomas on the Framework, had coffee with Tim Johnson (California Rice Commission) and received a call from Assemblyman, Dan Logue, regarding his concerns on watering cattle.

A public hearing was held. Joe Karkoski presented the staff report on the Framework and introduced Adam Laputz, who gave a brief summary of the cost and policy considerations in the development of the Framework. Stakeholders and other interested persons gave additional testimony.

The Board did not take a vote to adopt agenda Item 7.

AGENDA ITEM 8

Consideration of a Resolution Extending Coalition Group Conditional Waiver of Waste Discharge Requirements for Discharges from Irrigated Lands, Order R5-2006-0053

Because of time constraints associated with Item 7, the Chair directed that the item be removed from the agenda and directed staff to add the item to the June agenda.

The board meeting concluded at 8:17 p.m. to the next day

¹ After the Board indicated that it would not take a vote on the proposed resolution for agenda Item 7, Alex Mayer recommended that the Board reconsider its vote on agenda item 6 because agenda item 6 assumed an affirmative vote on agenda Item 7. Vice-Chair, Dr. Longley moved to reconsider the motion approving agenda Item 6. This was carried by unanimous vote. Dr. Longley then moved to amend the resolution by deleting paragraph 2 of the resolution (instruction that staff submit a Notice of Determination). The amended resolution was adopted by unanimous vote.

FRIDAY APRIL 8
