

Central Valley Regional Water Quality Control Board

5 August 2015

NOTICE OF PUBLIC WORKSHOP

PROPOSED FOR ADOPTION
GENERAL ORDER FOR DISCHARGES OF WASTE ASSOCIATED WITH
MEDICINAL CANNABIS CULTIVATION ACTIVITIES

Central Valley Regional Water Quality Control Board (Central Valley Water Board) staff propose for adoption, a General Order for Discharges of Waste Associated with Medicinal Cannabis Cultivation Activities to mitigate the environmental and water quality impacts from cannabis cultivation activities on private lands.

NOTICE IS HEREBY GIVEN that staff of the Central Valley Water Board will hold three Public Workshops to provide information and solicit public comments on a draft General Order regulating waste discharges resulting from cannabis cultivation and associated activities on the following dates:

Table with 3 columns: Wednesday, 19 August 2015; Thursday, 20 August 2015; Tuesday, 25 August 2015. Each column lists the date, time (1:00 p.m.), and location of the workshop.

DOCUMENT AVAILABILITY

The draft Order is available on Central Valley Water Boards website at:
http://www.waterboards.ca.gov/centralvalley/board_decisions/tentative_orders

If you are interested in subscribing to the Central Valley Marijuana Cultivation and Regulation email listserv, you can sign up here:
