SUPERVISOR/TITLE: Meredith Howard, Environmental Program Manager I

Jessica Rader, Sajleen Phagura, Jennifer Fuller, Janis Cooke and Jennifer LaBay are highly valued members of the Planning and ILRP Sections and they are being recognized for their dedicated efforts and willingness to go above expectations when there were 2 Senior Unit Supervisors out on leave.

All these seniors worked closely with the Program Manager as a team to ensure that there were no significant delays to Planning Program projects. Each person on the team enthusiastically took on additional or new tasks. Their hard work and willingness to lend a hand when needed are truly appreciated.

We are fortunate to have Jessica, Sajleen, Jennifer, Janis, and Jenn working at the Central Valley Water Board and they are well deserving of this award.
