

This is the Water Quality Certifications Information Page of the Central Valley Regional Water Quality Control Board. If you need further information on any of the following pending certification applications, please contact the assigned staff person.

County Name	Applicant	Project Name	Project Description	Comment Deadline	Contact Person
BUTTE	Jessica Erdahl, Town of Paradise, 5555 Skyway Road, Paradise, CA, 95969. Phone number: 5308726291. Email: jerdahl@townofparadise.com .	5A04CR00333 Town of Paradise Culvert Replacement Project	The project proposes to extend the current Loafer Point boat ramp at Lake Oroville to elevation 610 ft amsl. Construction will include an The project proposes to remove high-density polyethylene (HDPE) culverts that were extensively damaged by the Camp Fire and install new reinforced concrete pipe culverts, as well as restore roadway sections above the pipe at various locations.of the Loafer Creek Point Stage 2 Boat Ramp, a temporary haul road, and 3 compacted spoils locations from elevation 800 to 610 ft amsl.	October 8, 2021	Gilman, Katie; Phone: (530) 224-3212; Redding
BUTTE	Talle Lopez, California Water Service Company, 1720 N. 1st Street, San Jose, CA, 95112. Phone number: 408-367-8376. Email: tlopez@calwater.com .	5A04CR00332 California Water Service Company Notre Dame Blvd. Jack & Bore Project	The proposed project will extend the water line on Notre Dame Blvd. across Little Chico Creek to connect two of Cal Water's geographic service areas to allow for greater safety and wildfire protections.	September 24, 2021	Warner, Dan; Phone: (530) 224-4848; Redding
FRESNO	Hazm Gabar, Southern California Edison, 2244 Walnut Grove Avenue, Rosemead, CA, 91770. Phone number: 626-302-7608. Email: Hazem.Gabr@sce.com	5B10CR00110 Post-Creek Fire Emergency Debris Flow Fencing	The purpose of the Project is to reduce potential debris flow risk for critical facilities using debris flow barriers at three site. The debris flow fences are designed to dissipate debris surge energy and reduce the volume of debris potentially impacting critical hydroelectric facilities downstream.	October 8, 2021	Salazar, Brandon; Phone: 559-445-6278; Fresno
PLACER	Jim Joiner, Joiner Limited Partnership, 5515 Riviera, Granite Bay, CA 95746. Phone number: 916-768-4815. Email: jjoiner@surewest.net	5A31CR00534-002 Joiner Ranch East Project	The Project consists of mass grading in preparation for future development of single family residential lots within the City of Lincoln. The Project has applied for participation in the Placer County Conservation Program.	September 24, 2021	Hendricks, Greg; Phone: 916.464.4709; Sacramento

County Name	Applicant	Project Name	Project Description	Comment Deadline	Contact Person
PLACER	Matt Ambroziak, Federal Highway Administration, 12300 West Dakota Avenue, Lakewood, CO 80228. Phone number: 720-963-3619. Email: matthew.ambroziak@dot.gov	5A31CR00557 Ponderosa Way Bridge Replacement Project	The Project consists of replacing the existing, structurally deficient, single-lane bridge with a new bridge designed for improved scour resistance that meets current design loading standards and turning movement requirements for essential vehicles, such as fire trucks.	September 24, 2021	Hendricks, Greg; Phone: 916.464.4709; Sacramento
PLUMAS	Electric Company, 245 Market Street, San Francisco, CA, 94105. Phone number: 9253893778. Email: ETJ1@pge.com	5A32CR00221 Dixie Fire Repair and Protection Activities - Phase 1	The Project consists of emergency repair and protection activities for 31 watercourse-road crossings that require culvert upgrades and rock ford repairs within the Dixie Fire burn scar.	October 8, 2021	Coster, Lynn; Phone: (530) 224-2437; Redding
PLUMAS	Rachael Long, P.O. Box 173, Zamora, CA, 95698. Phone: 530-681-7661. Email: rflong@ucanr.edu .	5A32CR00220 Rachael Long Stairway Project	Project proposes the installation of a stairway from the property bank to the shoreline of Lake Almanor to include eight concrete piers and an upper concrete pad.	September 24, 2021	Ferguson, Jerred; Phone: (530) 224-4784; Redding
SACRAMENTO	Larry Gualco, Lennar. 1025 Creekside Drive, Suite 240. Roseville, CA 95678. Phone number: 916.746.8520. Email: Larry.Gualco@Lennar.com	5A34CR00759-015 Gerber Creek Unit 1 Project	The purpose of the Project is to provide single-family residential housing and associated infrastructure, consistent with Sacramento County's conditions of approval for the subdivision.	October 8, 2021	Nguyen-Tan, Angela; Phone: 916.464.0335; Sacramento
SACRAMENTO	Nathaniel Martin, U.S. Army Corps of Engineers, Sacramento District. 1325 J Street, Sacramento, CA 95814-2922. Phone number: 916.317.4021. Email: Nathaniel.j.martin@usace.army.mil	5A34CR00819-001 American River Watershed Common Features 2016, American River Contract 1 Project	The Proposed Action is part of the project reviewed under the ARCF General Reevaluation Report (GRR) Final Environmental Impact Statement/Environmental Impact Report (EIS/EIR) Alternative 2 (May 2016). However, some elements of the Proposed Action (e.g., staging areas, haul routes, project footprint, vegetation removal) were not analyzed in the ARCF GRR Final EIS/EIR because the project design had not been developed to the specificity required for project implementation. Thus the following information is provided for American River Contract 1: Erosion Protection at Site 2-1.	October 8, 2021	Nguyen-Tan, Angela; Phone: 916.464.0335; Sacramento
