PROVISION OF THE FARM EVALUATION TEMPLATE

Thank you for your 19 March 2019 submittal of the revised Farm Evaluation template and instructions. Per section VIII. C.1 of Appendix A to State Water Board Order WQ 2018-0002 (Order), I am providing the attached Farm Evaluation template and instructions that must be used by your Members to document implemented management practices and fulfill the precedential requirements of the Order. The draft Template was made available for public review and comment from 20 March 2019 through 19 April 2019.

We appreciate the work that you and other agricultural stakeholders have put into developing the Farm Evaluation template. We look forward to working with you in this important effort to assist growers in achieving the management practice performance standards of the Order governing discharge from their irrigated lands. Please note that any proposed changes to the Template instructions or form must be approved by me prior to the change being implemented.

If you have any questions regarding these requirements, please contact Yared Kebede at (916) 464-4828 or Yared.Kebede@waterboards.ca.gov.

Sincerely,
