SAN JOAQUIN COUNTY AND DELTA WATER QUALITY COALITION ANNUAL MONITORING REPORT REVIEW

Thank you for the submittal of the San Joaquin County and Delta Water Quality Coalition (Coalition) Annual Monitoring Report (AMR), which was received on 1 March 2010. Staff has completed a review (enclosed with this letter) of the AMR for compliance with Monitoring and Reporting Program (MRP) Order No. R5-2008-0005.

Staff has noted that the Coalition continues to comply with the majority of MRP Order reporting requirements, including the following:

- Description of the Coalition group geographical area
- Discussion of data to clearly indicate compliance
- Meeting precision, accuracy, and completeness requirements
- Submitting field data sheets, laboratory reports, and chain of custody forms

Staff identified some minor omissions in the AMR. The Coalition provided revisions to Item No. 5 on 4 June 2010. Please review the attached memorandum. The Coalition will need to submit its next AMR in accordance with the MRP by 1 March 2011, and ensure that it complies with the requirements.

If you have any questions or comments regarding the review, or need any further information, please contact Chris Jimmerson at (916) 464-4859.
