

APPENDIX F: LANDOWNER INFORMATION ON USE OF GROUNDWATER FOR STOCK WATERING IN THE PROJECT STUDY AREA

Staff from Tulare Lake Drainage District and Tulare Lake Basin Water Storage District met with landowners in the proposed AGR de-designation area to determine if they were, or if they plan to use in the future groundwater pumped from the project study area for watering livestock. These meetings took place in December 2013 and March 2015. The landowners contacted and the water sources they use for watering their livestock are provided in the table below.

Landowner	Date of Conversation	Water Source
Westlake Farms [REDACTED] Stratford, CA 93266	<ul style="list-style-type: none"> • Dec 2013 • Mar 2015 	<ul style="list-style-type: none"> • Ditch water, truck in water; • No intention to use groundwater from within the proposed de-designation boundaries in the future
Sandridge Partners [REDACTED] Los Altos, CA 94022	<ul style="list-style-type: none"> • Dec 2013 • Mar 2015 	<ul style="list-style-type: none"> • Ditch water, truck in water; • No intention to use groundwater from within the proposed de-designation boundaries in the future
Island Cattle/Triple H Farms [REDACTED] Tulare, CA 93274 / Corcoran, CA 93212	<ul style="list-style-type: none"> • Dec 2013 • Mar 2015 	<ul style="list-style-type: none"> • Pipes in water from outside the originally proposed de-designation boundary; • No intention to use groundwater from within the proposed de-designation boundaries in the future
Newton Farms [REDACTED] Stratford, CA 93266	<ul style="list-style-type: none"> • Dec 2013 • Mar 2015 	<ul style="list-style-type: none"> • No stock operations on lands; • Groundwater could not be used due to diarrhea issue with cattle; • No intention to use groundwater from within the proposed de-designation boundaries in the future
J.G. Boswell Company [REDACTED] Corcoran, CA 93212-0877	<ul style="list-style-type: none"> • Dec 2013 • Mar 2015 	<ul style="list-style-type: none"> • No stock operations on lands; • No intention to use groundwater from within the proposed de-designation boundaries in the future
Hansen Ranches [REDACTED] Corcoran, CA 93212	<ul style="list-style-type: none"> • Dec 2013 • Mar 2015 	<ul style="list-style-type: none"> • No stock operations on lands; • No intention to use groundwater from within the proposed de-designation boundaries in the future
