NOTICE OF VIOLATION

ORDER NO. 92-089

YOU ARE HEREBY NOTIFIED THAT:

As of March 22, 1993, you are in violation of the following:

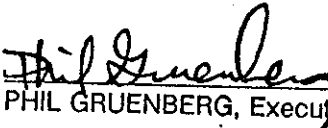

1. A workplan to be submitted by September 30, 1992 has not been received on time. In this workplan, you were to fully delineate the vertical and lateral extent of contamination, characterize the site hydrology to characterize contamination migration pathways, and evaluate potential offsite migration of contamination.
2. By November 1, 1992 you were to submit a progress report of work being done at this site, and progress towards obtaining permits for the work.
3. You were to submit a second progress report on December 1, 1992.

As of March 22, 1993, the above violations have not been satisfactorily corrected. Please notify our office by April 31, 1993, of the corrective actions you have taken to comply with cleanup and Abatement Order 92-046. Your violations of Cleanup and Abatement Order 92-046 are subject to possible enforcement actions authorized by the Porter-Cologne Water Quality Control Act, Division 7 of the California Water Code, commencing with Section 13304, including the possible assessment of civil liabilities of \$1,000.00 per day of violation, or referral to the State Attorney General.

This notice is based on the following specific circumstances:

1. In accordance with Section 13267, Subdivision (b) of the California Water Code, you were requested to submit a workplan which included a complete subsurface investigation report to the Regional Board by September 30, 1992.
2. You are presently in violation of Cleanup and Abatement Order No. 92-046.

If you have any questions regarding this matter, please contact Gary Shepherd at (619) 776-8935.
