On September 17, 2009, the California Regional Water Quality Control Board, Colorado River Basin Region (Regional Board) will consider a proposed order imposing administrative civil liability against the City of Calexico Municipal Wastewater Treatment Plant (hereinafter Discharger) to resolve proposed civil liability for violations alleged in Complaint No. R7-2009-0048. In Complaint No. R7-2009-0048, the Regional Board Enforcement Unit (Prosecution Team) recommends that the Regional Board impose civil liability in the amount of \$24,140, based on a finding of violations of Waste Discharge Requirements Order Nos. The Discharger submitted a letter to the Prosecution Team (hereinafter "Parties") on August 18, 2009 with a supplemental environmental project (SEP) proposal in the amount of \$12,070 to the Calexico New River Committee. The Prosecution Team has approved the SEP proposal. The terms of the SEP are reflected in the proposed order.
