The Complaint proposes that administrative civil liability in the amount of \$37,453 be imposed as authorized by CWC Section 13385. Unless the Discharger waives its right to a hearing and pays the proposed liability, the hearing will be held before the Regional Board during its meeting of November 18, 2010. The deadline of October 1, 2010 for waiving the hearing and all other procedural deadlines are listed in the Table of Important Deadlines (Table) at the end of this Notice. Also, please note that all requests, objections, and any other material submissions for which a deadline has been specified **must be received no later than 5:00 p.m. on the date specified**. Unless otherwise indicated, all submissions may be provided electronically.

Purpose of Hearing

The purpose of the hearing is to receive relevant evidence and testimony regarding the proposed ACL Complaint. At the hearing, the Regional Board will consider whether to adopt, modify, or reject the proposed assessment. If it adopts the proposed assessment, the Regional Board will issue an Administrative Civil Liability Order. The public hearing on November 18, 2010, will commence at 10:00 a.m. or as soon thereafter as practical, or as announced in our Board meeting agenda. The meeting will be held in La Quinta, California at the City Hall Council Chambers located at 78-495 Calle Tampico. An agenda for the meeting will be issued at least ten days before the meeting and will be posted on the Regional Board's web page at <http://www.waterboards.ca.gov/coloradoriver>.

hand, and a Regional Water Board member or an Advisory Team member on the other hand, unless the communication is copied to all other designated and interested parties or made at a proceeding open to all other parties and interested persons (if verbal). Communications regarding non-controversial procedural matters are not *ex parte* communications and thus, are not restricted. Communications among the designated and interested parties themselves are also not *ex parte* communications.
