NOTICE OF PUBLIC HEARING FOR
ADMINISTRATIVE CIVIL LIABILITY COMPLAINT R7-2012-0020
ISSUED TO
CITY OF HOLTVILLE WASTEWATER TREATMENT PLANT;
Imperial – Imperial County

**NOTICE IS HEREBY GIVEN THAT A HEARING WILL BE HELD
BEFORE THE REGIONAL BOARD ON JUNE 21, 2012**

Background

The Assistant Executive Officer has issued an Administrative Civil Liability (ACL) Complaint pursuant to California Water Code (CWC) section 13323 to the City of Holtville, Wastewater Treatment Plant (hereinafter referred to as Discharger) alleging that the Discharger exceeded the effluent limitation for E. coli set forth in Waste Discharge Requirements (WDRs) Order R7-2006-0050 (NPDES Permit CA0104361). The Complaint proposes that administrative civil liability in the amount of six thousand dollars (\$6,000) be imposed as authorized by CWC section 13385, subdivisions (h) and (i). Unless the Discharger waives the right to a hearing and pays the proposed liability, the hearing will be held before the Regional Water Board during its meeting of June 21, 2012. The deadline of May 7, 2012 for waiving the hearing and all other procedural deadlines are listed in the Table of Important Deadlines (Table) at the end of this Notice. Also, please note that all requests, objections, and any other material submissions for which a deadline has been specified **must be received no later than 5:00 p.m. on the date specified. Unless the recipient(s) indicate otherwise, all written requests and submissions may be provided electronically.**

Purpose of Hearing

The purpose of the hearing is to receive relevant evidence and testimony regarding the proposed ACL Complaint. At the hearing, the Regional Water Board will consider whether to adopt, modify, or reject the proposed assessment up to the maximum penalty provided by law. If it adopts the proposed assessment, the Regional Water Board will issue an Administrative Civil Liability Order. The public hearing on June 21, 2012 will commence at 9:00 a.m. or as soon thereafter as practical, or as announced in the Regional Water Board's meeting agenda. The meeting will be held in the Town of Yucca Valley, California 92284 at the Community Center, Yucca Room, located at 57090 Twentynine Palms Highway. An agenda for the meeting will be issued at least ten days before the meeting and will be posted on the Regional Water Board's web page at: <http://www.waterboards.ca.gov/coloradoriver>.

Hearing Procedures

The hearing will be conducted in accordance with this hearing procedure. This hearing procedure has been pre-approved by the Regional Water Board's Advisory Team in model format, but the Advisory Team may modify the procedure on its own or at the request of any designated party. A copy of the procedures governing an adjudicatory hearing before the Regional Water Board may be found at Title 23 of the California Code of Regulations (CCRs), Section 648 et seq., and is available at <http://www.waterboards.ca.gov> or upon request. In accordance with Title 23, CCR, Section 648(d), any procedure not provided by this hearing procedure is deemed waived. Except as provided in Title 23, CCR, Section 648(b), Chapter 5 of the Administrative Procedure Act (commencing with Section 11500 of the Government Code) does not apply to adjudicatory hearings before the Regional Water Board. This Notice provides additional requirements and deadlines related to this proceeding.

THE PROCEDURES AND DEADLINES DESCRIBED IN THIS NOTICE MAY BE AMENDED BY THE ADVISORY TEAM AS NECESSARY. **ANY OBJECTIONS TO THIS HEARING PROCEDURE MUST BE RECEIVED BY THE REGIONAL WATER BOARD'S ADVISORY TEAM BY 5:00 P.M. ON THE DATE SPECIFIED IN THE TABLE, OR THEY WILL BE WAIVED.** FAILURE TO COMPLY WITH THE DEADLINES AND REQUIREMENTS CONTAINED HEREIN MAY RESULT IN THE EXCLUSION OF DOCUMENTS AND/OR TESTIMONY.

Separation of Functions

To help ensure the fairness and impartiality of this proceeding, the functions of those who will act in a prosecutorial role by presenting evidence for consideration by the Regional Water Board (Prosecution Team) have been separated from those who will provide advice to the Regional Board (Advisory Team). Members of the Advisory Team are: Robert Perdue, Executive Officer; Tom Vandenberg, Staff Counsel; and Jon Rokke, Water Resource Control Engineer. Members of the Prosecution Staff are: Jose Angel, Assistant Executive Officer; Ann Carroll, Staff Counsel; and Doug Wylie, Senior Water Resource Control Engineer. Although members of the Prosecution Team may have acted as advisors to the Regional Water Board in other, unrelated matters, they are not advising the Regional Water Board in this proceeding. Accordingly, the members of the Prosecution Team have not engaged in any *ex parte* communications, as defined below, with members of the Regional Water Board or the Advisory Team regarding this proceeding.

Ex Parte Communications

The designated parties and interested persons are forbidden from engaging in *ex parte* communications regarding this matter with members of the Advisory Team or members of the Regional Water Board. An “*ex parte* communication” is any written or verbal communication pertaining to the investigation, preparation, or prosecution of the ACL Complaint between a member of a designated party or interested party on the one hand, and a Regional Water Board member or an Advisory Team member on the other hand, unless the communication is copied to all other designated and interested parties

or made at a proceeding open to all other parties and interested persons (if verbal). Communications regarding non-controversial procedural matters are not *ex parte* communications and thus, are not restricted. Communications among the designated and interested parties themselves are also not *ex parte* communications.

Hearing Time limits

To ensure that all participants have an opportunity to participate in the hearing, the following time limits shall apply: each designated party shall have 15 minutes to testify, present evidence, and cross-examine witnesses, and each interested person shall have 3 minutes to present a non-evidentiary policy statement. Participants with similar interests or comments are requested to make joint presentations, and participants are requested to avoid redundant comments. Additional time may be provided at the discretion of the hearing officer upon a showing that additional time is necessary.
