

NOTICE OF PUBLIC HEARING

PROPOSED STIPULATED SETTLEMENT AGREEMENT AND
ADMINISTRATIVE CIVIL LIABILITY ORDER R7-2017-0005

NILAND SANITARY DISTRICT
MUNICIPAL WASTEWATER TREATMENT PLANT
Niland – Imperial County

NOTICE IS HEREBY GIVEN THAT A HEARING WILL BE HELD
BEFORE THE REGIONAL BOARD ON JANUARY 19, 2017

On December 14, 2016, the Executive Officer of the Colorado River Basin Regional Water Quality Control Board (Colorado River Basin Water Board) issued a Proposed Settlement Agreement and Stipulation for Entry of Administrative Civil Liability Order (Stipulation) pursuant to California Water Code (Water Code) section 13323 to the Niland Sanitary District, owner/operator of the Niland Wastewater Treatment Plant, (hereinafter referred to as Discharger). The Discharger is alleged to have violated effluent limitations and monitoring and reporting requirements of Waste Discharge Requirements (WDRs) Orders R7-2003-0049, R7-2008-0020 and R7-2014-0001 (NPDES No. CA0104451), and violated Cease and Desist Orders (CDO) R7-2009-0007 and R7-2012-0024. The Stipulation proposes that administrative civil liability in the amount of \$461,290 be imposed as authorized by CWC section 13385, subdivisions (h) and (i) and CWC section 13350, subdivision (a) and (e).

The Discharger and the Colorado River Basin Water Board Prosecution Staff (Parties) have entered into a tentative settlement to resolve any and all claims for civil liability the Regional Board has or may have against Niland Sanitary District, arising from or relating to the violations of WDRs Orders R7-2003-0049, R7-2008-0020 and R7-2014-0001 (NPDES No. CA0104451) and violations relating to Cease and Desist Orders (CDO) Nos. R7-2009-0007 and R7-2012-0024. As a result, the Parties have agreed to settle the matter and intend to recommend to the Colorado River Basin Water Board at the January 19, 2017 Board meeting that it adopt the proposed Stipulation (Gov. Code, § 11415.60.) The Prosecution Staff believes that the resolution of the alleged violations are fair and reasonable and fulfills the Prosecution Staff's enforcement objectives, that no further action is warranted concerning the specific violations, and that this Stipulation is in the best interest of the people of the state of California.

Accordingly, to resolve by consent and without further administrative proceedings, the Parties have agreed to the final imposition of \$478,103.13 in liability against Niland Sanitary District pursuant to Government Code section 11415.60. The Parties have agreed that **\$125,000** of the total liability will be suspended pending completion of an Enhanced Compliance Action (ECA) and **\$220,000** of the total liability shall be suspended pending completion of a Compliance Project (CP). Additional details concerning this proposed Stipulation are described in the proposed Stipulated Settlement Agreement and Order and its Exhibit D. **The settlement is contingent on Regional Water Board approval.**
