## **BACKGROUND**

The Project purpose is to modernize and expand the Plaster City Quarry (Quarry) and make upgrades to the Plaster City Manufacturing Plant (Plant). This involves a multi-phased continuation and expansion of the existing quarry by an additional 682 acres, the drilling of a new quarry well, the construction of two separate water pipelines to transfer water, the construction of a new electric pump station pumphouse, replacement of an existing 8-inch diameter water pipeline from the manufacturing plant, and construction of four additional holding basins.

This Order is limited to impacts to Waters of the State associated with Project construction and related activities. To the extent that Facility existing and future operations involve the discharge of *inert waste*, as defined per California Code of Regulations, title 27 (Title 27), section 20220, or *mining waste*, as defined per Title 27, sections 20164 and 22480, such discharge may be addressed via separate WDRs. This Order makes no determination as to whether separate WDRs will be necessary.

The Permittee will temporarily and permanently impact Colorado River Basin Water Board jurisdictional waters of the state. Upon Project completion, the temporarily disturbed project areas will be returned to pre-project contours.

## **HEARING PROCEDURE**

**Parties to Proceeding**

The parties to this proceeding<sup>1</sup> are the Discharger (i.e., person to whom the Tentative Order is directed), and any additional persons that the Executive Officer, in consultation with the Board Chair, determines should be a “party.” (Cal. Code Regs., tit. 23, § 648.1, subd. (a).) Such additional persons are referred to as **Designated Parties**.

Unless they are formally recognized as a Designated Party, **interested persons are NOT considered “parties” to the proceeding**. This means that interested persons will ordinarily not be permitted to present evidence (e.g., photos, eyewitness testimony, etc.) for entry into the administrative record; again, oral comments are limited to general policy and legal statements. Interested persons are also not subject to cross examination but may be asked to respond to clarifying questions from the Board Members. (*Id.*, § 648.1, subd. (d).)

To request Designated Party status, send a written application via email to [Logan.Raub@waterboards.ca.gov](mailto:Logan.Raub@waterboards.ca.gov) as soon as possible, but no later than **June 19, 2026** (submitted concurrently with written comments and any proposed written evidence). The Executive Officer and Board staff will promptly respond to all timely applications and may request further information before the determination is made.

Designated Party status will only be granted if the applicant demonstrates that it is necessary and appropriate under the circumstances<sup>2</sup>. An application will not be granted if it appears that such designation will impair the interests of justice and the orderly and prompt conduct of the proceeding. Additionally, the Executive Officer, in consultation with the Board Chair, may impose restrictions on the requestor’s hearing participation, including limiting or excluding the use of cross-examination and other procedures to

<sup>1</sup> An “adjudicative proceeding” is one in which the Board conducts an evidentiary hearing for determination of facts, resulting in the formulation of a decision in the form of an adopted order. (Gov. Code, § 11405.20; Cal. Code Regs., tit. 23, § 648, subd. (a).)

<sup>2</sup> The Board’s decision may include the following considerations: (1) whether the applicant will be substantially affected by issues addressed in the hearing; (2) whether the parties will adequately represent the applicant’s interests; (3) whether the applicant would present their own written evidence or witness testimony at the hearing; and (4) whether the applicant will seek to cross-examine the other parties’ witnesses.

promote the orderly and prompt conduct of the proceeding. (Gov. Code, § 11440.50, subd. (c).)

### **Order of Proceeding**

Adjudicative proceedings are conducted in a manner deemed most suitable to the particular case with a view toward expeditiously securing relevant information without unnecessary delay and expense. (Cal. Code Regs., tit. 23, § 648.5, subd. (a).)

This proceeding will be conducted in the following order: (1) opening statements by Board Chair, summarizing the subject matter and purpose of the hearing; (2) identification of all persons wishing to participate in the hearing; (3) administration of oath for all persons intending to speak at the hearing, including interested persons making oral comments; (4) presentations by staff; (5) comments and/or presentations by parties; (6) comments from interested persons; (7) Board Members' comments and discussion; (8) closure of hearing by Board Chair; and (9) voting by Board Members. In the event that the Tentative Order will be contested, the Executive Officer, in consultation with the Board Chair, will determine time allotments prior to the hearing.

### **Submission of Evidence**

To avoid the introduction of surprise testimony and exhibits (Cal. Code Regs., tit. 23, § 648.4, subd. (a)), and to minimize the need for oral argument and testimony at the hearing, the parties shall submit all documentary evidence (Id., § 648.4, subd. (c)), witness information (Id., § 648.4, subd. (b)), and legal/technical memoranda to staff prior to the hearing date.

As noted above, the administrative record will consist of materials in the Board file for the Facility (at time of hearing).
