

Date:

May 25, 2007

Applicant:

C.P. Development, LLC

Project Name:

Coachella Valley Stormwater Channel Slope Protection

Receiving Water:

Coachella Valley Stormwater Channel, tributary to the Salton Sea

Location:

The proposed project will take place on the north bank of the Coachella Valley Stormwater Channel, downstream of Washington Street, in the City of La Quinta, Riverside County, California, within Section 19 of Township 5 South, Range 7 East, SBB&M.

The project location is further described as 33° 43' 04.19" N Latitude by 116° 17' 35.73" W Longitude.

Project Description:

The Applicant proposes to construct approximately 1,000 linear feet of concrete slope on the northern slope of the Coachella Valley Stormwater Channel, downstream of Washington Street. The Project would extend the concrete slope protection that exists on the north bank of the Coachella Valley Stormwater Channel to prevent erosion of the banks of the channel and the undermining of the existing slope protection. Three existing headwall/riprap structures would also be removed and replaced.

Action:

Pending
