Receiving Water:

Smith Creek within the Whitewater Watershed, tributary to the Whitewater River

Location:

The Project is located in the City of Banning in Riverside County.
Section 12, Township 3 South, Range 1 West, SBB&M
33° 56' North Latitude by 116° 56' West Longitude

Project Description:

The Applicant proposes to construct a retail commercial complex on a 3.52 acre property. The proposed retail commercial complex will require the installation of a reinforced concrete pipe (RCP) to contain stream flows passing through the property. The RCP will connect a 48" RCP located near the northwest boundary of the project to a 3-ft by 4-ft reinforced concrete box (RCB) located near the southern boundary of the project. The installation of the RCP will result in permanent impacts to 292 linear feet of vegetated streambed (0.03 acre).
