**Applicant:**

City of Cathedral City

**Project Name:**

East Palm Canyon Drive Bridge Widening

**Receiving Water:**

Whitewater River / Coachella Valley Storm Water Channel

**Location:**

The East Palm Canyon Drive Bridge is located in the City of Cathedral City, Riverside County, California. The project site is located in Section 33, Township 4 South, Range 5 East, San Bernardino Baseline and Meridian at 33° 46' 55.78" N Latitude by 116° 28' 17.38" W Longitude.

**Project Description:**

The City of Cathedral City proposes to widen the existing bridge on East Palm Canyon Drive at the Cathedral Canyon Wash. The project will widen the existing four-lane bridge by approximately 21 feet on each side to accommodate six travel lanes and sidewalks within a total bridge width of 108 feet. The project will result in the placement of 24 new bridge pillars, each of which is 1.25 feet in diameter. The placement of bridge pillars and abutments will result in permanent impacts to 0.001 acre and temporary impacts to 0.6 acre of unvegetated streambed.
