

**Date:**

May 12, 2008

**Applicant:**

City of Palm Springs

**Project Name:**

South Palm Canyon Widening

**Receiving Water:**

Cherly Creek, an ephemeral wash tributary to the Whitewater River/Coachella Valley Storm Water Channel

**Location:**

The proposed project will take place in the City of Palm Springs, Riverside County, California, within Sections 34 and 35, Township 4 South, Range 4 East, San Bernardino Baseline and Meridian.

The project location is further described as 33° 46' 43.02" North Latitude by 116° 32' 44.29" West Longitude.

**Project Description:**

The City of Palm Springs proposes to widen approximately 1900 linear feet of South Palm Canyon Drive starting at about Murray Canyon Drive and continuing south past Bogert Trail, ending before Acanto Drive. The road will be widened from its current average width of 64 feet to approximately 94 feet. The proposed project will result in the expansion of the bridge/box culvert over Cherly Creek. The roadway expansion project will result in temporary impacts to approximately 94 linear feet of Cherly Creek, an ephemeral wash channel, with an approximate impact area of 0.009 acre.

**Action:**

Pending
