Project Name:

Cornishe of Bighorn, LLC Project

WDID No. 7A333098001

Receiving Water:

Un-Named tributaries to garnet Creek – Whitewater River

Location:

Longitude/Latitude: 33°40'40" N, Township/Range 116°23'45"W in Palm Desert, Riverside County

Project Description:

The project consists of constructing two building pads and an access road to allow for the development of two single family homes. Each of the two lots will be developed in between 23,000 and 25,000 square feet of graded area. Approximately 28,754 cubic yards of clean fill soil will be imported and compacted on site. Of that total, approximately 4,050 cubic yards will be permanently placed and compacted within jurisdictional waters of the United States.

Action:

Pending
