Project Name:

South Palm Canyon Drive Bridge Replacement at the Tahquitz Creek Channel, WDID No. 7A333167001

Receiving Water:

Tahquitz Creek Channel to Whitewater River to Salton Sea

Location:

City or area: City of Palm Springs, Riverside County, California
Longitude/ Latitude: E33°48'43.6"/N116°32'40.5"
Township/Range: Township: 4 South; Range: 4 East

Project Description:

The proposed Project consists of:

- Replacing the existing structurally deficient bridge (State Bridge No. 56C0408) on South Palm Canyon Drive at the Tahquitz Creek Channel with a new bridge.
- The project will also improve traffic circulation by correcting an existing bottle-neck effect that occurs at the bridge.

Proposed Schedule (Start-up, duration, and completion dates):

The work is schedule to be performed between Mid 2017 and Mid 2019

Action:

Pending
