**Applicant's Representative:**

N/A

**Project Name:**

Moabi Backwater Maintenance Inlet Culvert Replacement Project  
WDID No. 7B363038001 (RM: 416585, Place ID: 840540)

**Receiving Water:**

Colorado River

**Location:**

City or area: Needles, San Bernardino County, California  
Longitude/ Latitude: W 114° 30' 57.57"/ N 34° 44' 8.55"

**Project Description:**

The proposed Project consists of:

- Improving flows at the Moabi Backwater's inlet channel.
- The Bureau of Reclamation has operation and maintenance responsibilities for the levee and ensuring flow through the backwater's inlet culvert crossing. The culvert crossing is not functioning at full potential due to existing culverts are plugged and have deteriorated over time.

**Proposed Schedule (Start-up, duration, and completion dates):**

The work is scheduled to be performed during low-flow conditions November 2017 – February 2018

Duration: 3 months

**Action:**

Pending
