Project Name:

Salton Sea North Shore Beach and Yacht Club Dredging Project, Located in the City of Mecca, Riverside County, California 92254.

WDID No. 7A333224001, RM 441441, Place ID 870693

Receiving Water:

Salton Sea

Location:

City or area: Mecca City, Riverside County, California

Latitude: 33°31'08.62 N

Longitude; 115°56'18.00 W

Section/Township/Range: SEC 34, T 7S, R 10E

Project Description:

The project proposes dredging at the North Shore Beach and Yacht Club (NSBYC) marina of the Salton Sea to allow boats to once again use the boat ramp to access the waterbody. In recent years, the inlet to the NSBYC marina has suffered from accumulation of sediment from wind driven wave action and littoral drift prohibiting boat access to the Salton Sea. In addition, the water surface elevation of the Salton Sea has declined approximately 10 feet from -228 feet mean sea level (msl) from 2004 to 2020 (USGS 2020). To render the marina usable, the County proposed to dredge the marina to a depth of -224 feet msl.

Anticipated Project Start and End Dates:

February 1, 2021 – July 31, 2021

US Army Corps of Engineers Nationwide Permit Number(s):

Los Angeles NWP 16

Action:

Pending
