

Update to the Basin Plan to Correct or Update Language, Tables and Figures, Response to Comments on the Tentative Resolution, Proposed Basin Plan Language, and Draft Staff Report.

Responses to comments were prepared and mailed out on September 13, 2010.

1. Coachella Valley Water District (CVWD)

No.	Author	Date	Comment	Response
1.1	Coachella Valley Water District	9/3/2010	Replace text regarding ground water recharge at three facilities	Text was added to clarify the water recharge projects in the Coachella Valley.
1.2	Coachella Valley Water District	9/3/2010	Replace incorrect reference to California Aqueduct. The correct reference should be the Colorado River Aqueduct	The reference was changed accordingly
1.3	Coachella Valley Water District	9/3/2010	Revise incorrect figures and information regarding radiation contamination	The figures and information were changed in accordance with Title 22 of the California Code of Regulations
1.4	Coachella Valley Water District	9/3/2010	Request to remove table for optimal fluoride levels (64433.2A)	The referenced table does not contain MCLs for fluoride, nor does it apply to agencies that do not fluoridate their water supply. Therefore, the table has been removed.
1.5	Coachella Valley Water District	9/3/2010	Revise incorrect figures and information regarding Maximum Contaminant Levels (MCLs)	The figures and information were changed in accordance with Title 22 of the California Code of Regulations
1.6	Coachella Valley Water District	9/3/2010	Remove 2 references to table 64433.2A in Ch. 3	References were removed accordingly.
1.7	Coachella Valley Water District	9/3/2010	The term "Joint Cities" should be replaced with "Permittees"	The term has been changed, in order to be consistent with the language found in MS4 permit
