

Welcome to Pretreatment Training

John Carmona RWQCB
Chuck Durham Tetra Tech
June 2014 Training

Training Overview

- Since 2009, the RWQCB and USEPA have been providing training on the Pretreatment program.
- This training is to provide information on what is required during the implementation of an approved pretreatment program.

Training Overview (continued)

- The RWQCB Program Web Page for Pretreatment can be found at:

http://www.waterboards.ca.gov/coloradoriver/water_issues/programs/pretreatment/index.shtml
